Dear Tiffany:

This letter is to confirm that the School District of Manawa is requesting that the grade range be updated for the 2011-2012 school year for the Waupaca County Charter School of which we are a member of the consortium from a K4-8 school back to a 6-12 school. This matches the Waupaca County Charter School entities in the other districts which are part of the school consortium. This change starts with 2011-2012 and does not affect the two school years when the school was K4-8. The student in question was reported as an 8th grader even though she was a 9th grader in 2010-2011.

Thank you for your assistance. If you should require any additional information, please feel free to contact my office.

Sincerely,

Ed Dombrowski
District Administrator
