WI Dept. of Public Instruction
P.O. Box 7841
Madison, WI 53707

Dear Ms. Aro,

Per the ISES instruction, I am writing to update the ISES October 1, 2012 Child Count that was incorrectly reported for the Wheatland School District after the ISES window was closed.

Wheatland original reported 66 students on the October 1st Child Count and the correct number should be 72 students. Our Special Education, CESA office, sent updated special education list for the 2012-13 school year. Notifying Wheatland had missed reporting 6 special education students. Three students due to private school enrollment, two students in early childhood and one student due to enrollment date after third Friday count. These students do not affect Wheatland's pupil count only the ISES Child Count report.

We are submitting this as a date errata letter to be placed on the WINNS website. We wish to thank you and your staff for their help in addressing the error.

Sincerely,

Jason Tadlock
District Administrator
