Re: Corrections to 2008-2009 Administrator Benefits due to a program import error

The following are the names of the Administrators and the correct benefit amounts:

Sternke, JoAnn 60,571

Gahan, John 47,983

Please accept this as a correction to the Pewaukee School District 2008-2009 PI 1202 report for Administrator's benefit amounts. Please note that the salary figures were correct in the report, so there is no need for any changes in that area.

Sincerely,

John Gahan
Assistant Superintendent/Chief Financial Officer
