RE: Massive Fringe Benefits for Substitute Teachers

Dear Mr. Gasper:

I am writing in response to your email to Kari Tenley regarding the massive fringe amounts for substitute teachers reported on the 2011-2012 DPI PI 1202 Report for the District. Substitute teacher salary and fringe rates should not have been reported. The salaries and fringes for substitute teachers that are contained in the 2011-2012 PI1202 report were calculated in error.

If you require additional information regarding this matter, please contact me.

Sincerely,
