

You Are Invited to Complete a Stakeholder Survey

Are you interested in the future of career and technical education (CTE) in Wisconsin? Then please take a moment to share your thoughts on how best to design CTE so that it prepares all students for the future workforce.

To provide your input, select the survey for the stakeholder group that you most closely identify with. It should take approximately 15 minutes to complete.

Your feedback is very much appreciated. Thank you.

Background information: The Wisconsin Department of Public Instruction (DPI) in collaboration with the Wisconsin Technical College System is developing a new state plan around the *Strengthening Career and Technical Education for the 21st Century Act* (Perkins V). On behalf of DPI, UW-Stout's Emerging Center for Career and Technical Education Excellence is gathering survey information that will inform the state plan. Thank you.
