2. Provide your review using this form: <https://forms.gle/EXCNXYkXBo9NAU297> We are only asking you to review the narrative questions in the “Regional Plan” section.
3. Use the descriptions in the rubric below for rating each section.

Regional Plan			
	FAIR =1 Response does not answer the question and is vague with little detail.	GOOD =2 Response provides specifics but fails to answer the questions OR the response answers the question but does not provide specific details.	EXCELLENT =3 Response is detailed, specific and thorough.
<p>Question 1: 1a. Describe your role in the 2021-22 Comprehensive Local Needs Assessment (CLNA) process associated with the Carl Perkins Formula Grant Application. What specific steps did the RCP Coordinator and/or collaborative partners take to help coordinate and provide information or input from regional stakeholders, such as labor market information, to districts in the region for the purpose of completing their CLNA?</p> <p>1b. What worked well? What would you do differently for the next CLNA process?</p> <p>1c. How will the information you learned from the CLNA process help to inform your RCP goals for the 22-23 school year?</p>			
<p>Question 2: 2a. How will you assist districts in offering any missing career pathway components needed to align with one or more of the regional career pathways?</p> <p>2b. How will you help districts utilize the Education Building Block Guides for the regional career pathways offered in your region?</p>			

<p>Question 3: 3a. Beyond general awareness, describe at least one strategy, activity, or program you will develop and implement for your region to increase the participation of employers, school districts, or students, in one or more of the regional career pathways.</p> <p>3b. Which regional stakeholders will contribute to this strategy, activity, or program? What do you hope will be the outcome? How will you know if you are successful?</p>			
<p>Question 4: 4. How will you ensure that all students, especially students from special populations and BIPOC students, have access to, see themselves as being included in, and are supported for success in RCPs?</p>			
<p>Question 5: 5a. Provide an overview of your 2022-2023 promotional plan that has been reviewed and approved by the regional career pathway collaborative to share information about new and existing regional career pathways to a broad range of stakeholders in the region.</p> <p>5b. Describe the process you used so that your regional career pathway collaborative partners could provide input, review, and approve the 2022-23 promotional plan.</p>
