

# NOTICE OF INTENT TO REVIEW ACADEMIC STANDARDS

On July 11, 2022, the Wisconsin Department of Public Instruction will start a review of academic standards in Technology and Engineering Education. To ensure that Wisconsin Academic Standards prepare all students to be college and career ready, these standards represent the common skills, knowledge, and dispositions that are necessary for students to succeed. Wisconsin Academic Standards are reviewed, revised, or both on an ongoing basis, and their adoption and use by schools is voluntary in state statute.

## **PUBLIC COMMENT**

Any individual, group, or agency may submit written comments or information regarding these academic standards through the [survey link](#). All comments received between July 11 and August 5 will be reviewed and shared with the State Superintendent's Academic Standards Review Council. Members of the council are selected to represent education, business, state leadership, communities, and parents throughout the state.
