

## CESA-PROVIDED EE SERVICES AVAILABLE FOR YOUR DISTRICT

### GRANT-SUPPORTED PROFESSIONAL DEVELOPMENT, SERVICES, AND SUPPORTS!

Contact your local CESA for low-cost & no-cost options!

Available to you now and throughout the 2023-24 school year. Annually, the Wisconsin Department of Public Instruction (DPI) has contracted with your local Cooperative Educational Service Agency (CESA) to provide valuable Educator Effectiveness (EE) support. Take advantage of this opportunity to build your school culture; center your EE System work on learning; embed EE practices in your district goals and initiatives; develop your instructional leadership skills; or design a combination of topics to meet your local needs.

**WHO?** For district and independent charter school leaders utilizing the Danielson Framework for Teaching and the Wisconsin Framework for Principal Leadership for Educator Effectiveness.

**HOW?** Provided by your local CESA through a contract with DPI. Please see below for a list of services. Additional supports are also available. Contact your local CESA to learn more.

### HAVE YOU CONSIDERED...

#### ...leadership and implementation coaching?

- EE system evaluation and connection to district priorities
- Evaluator support and coaching around the EE system
- EE system coaching for teams.

#### ...attending networking opportunities at your local CESA?
