# Menomonee Falls schools to lay off 15 employees

By **Danielle Switalski**  
April 23, 2013

The Menomonee Falls School Board on Monday approved the layoff of 15 employees.

Final layoff notices, which have to be issued no later than May 15, are equivalent to 12.46 full time equivalent employees. As some are partial reductions to teaching positions, 15 people will be laid off.

Performance from the last and current school years is the main factor considered in determining which employees will be laid off, according to Menomonee Falls School District documents.

There is one teaching position held at the elementary level that will be filled should enrollment numbers be higher than anticipated.
