Immigrant Children and Youth Eligible Activities

Under ESEA Section 3115 (e), an LEA must use the Immigrant Children and Youth discretionary grant to provide enhanced instructional opportunities for immigrant children and youth (ICY).

LEAs are strongly encouraged to use Immigrant Children and Youth funds to prioritize activities that will meet the unique needs of ICY in the LEA as well as their families. LEAs applying for this grant should conduct needs assessment and measure the impact of activities to ensure that funds are used meaningfully.

Activities may include:

- Family literacy, parent and family outreach, and training activities to assist parents and families to become active participants in the education of their children;
- Recruitment of and support for personnel, including teachers and paraprofessionals who have been specifically trained to serve immigrant children and youth;
- Provision of tutorials, mentoring, and academic or career counseling for immigrant children and youth;
- Identification, development and acquisition of curricular materials, and educational software and technologies;
- Basic instruction services directly attributable to the presence of Immigrant children and youth in the LEA; including the payment of costs of providing classroom supplies, costs of transportation, or other such costs as are directly attributable to such additional basic instructional services;
- Other instruction services to assist immigrant students achieve in elementary and secondary schools in the U.S., such as programs of introduction to the educational system and civics education;
- Activities coordinated with community-based organizations, institutes of higher education, and private sector entities, other entities with expertise in working with immigrants, to assist parents and families by offering comprehensive community services.
