

Multi-Level Systems of Support for Multilingual Learners

Title III/Special Education Professional Learning Collaborative

March 9 & 10, 2023

9:00 am – 3:00 pm

Details

Cristina Sanchez-Lopez from Paridad Education Consulting will lead participants and teams of educators in a collaborative, interactive training.

Highlights of this opportunity include:

- An exploration of language difference versus disorder, specifically through the lens of multi-level systems of support as it applies to the identification of multilingual learners who may require an IEP.
- Culturally and linguistically sustaining instructional strategies for multilingual learners.
