Overview

- Previous Webinars: (www.dpi.wi.gov/erate)
 - Introduction to E-rate
 - Bidding Rules & Best Practices
 - Filing the Form 470 and Category 2 Overview
- Today's presentation will focus on Preparing to File the Form 471
- Let's start by reviewing information from the last webinar on Category 2 budgets

Category 2 Budgets

- Your district or library has a five-year C2 budget, to offset network costs
- The new five year budget cycle is: 2021-2025
- The budget amount is \$167/student; \$4.50/library square foot
- Beginning this school year (FY21) budgets are districtwide

Category 2 Budget: Example

- Ebenezer School District has 1,000 students
- Its Category 2 budget = $1,000 \times \$167 = \mathbf{\$167,000}$ for 5 years; **note that this is the pre-discount amount**
- Over this period, it can receive E-rate funding for purchases of up to \$167,000 of eligible equipment and services
- The budget amount covers retail, or pre-discount costs

USAC Category 2 Budget Tracker

- USAC provides a [Budget Tracker](#) to show how much C2 budget your district or library has left
- Currently it shows your full 5-year budget

USAC Category 2 Budget Tracker

- It's a terrific tool, but not totally intuitive to use.

1. Look up your district:

The screenshot shows a web application interface with a 'Filters' panel on the right. The filters include 'State', 'Applicant Type', 'City', and 'Billed Entity Name', each with a 'Select...' dropdown menu. Below the filters, a search input field contains the text 'butternut'. A dropdown menu is open below the input field, showing the search results 'BUTTERNUT SCHOOL DISTRICT'. A red rectangular box highlights the search input field and the dropdown menu. A blue arrow points from the text '1. Look up your district:' to the search input field.

2. Scroll down using outer scrollbar:

3. Click Apply!

The screenshot shows a dropdown menu for 'Billed Entity Name' with the value 'IS' selected. Below the search bar, there is a 'SELECTED VALUES' section containing 'BUTTERNUT SCHOOL DISTRICT'. Below that is a 'LABEL A - Z' section with '(No value)'. The list of options includes '100 ACADEMY OF EXCELLENCE', '127722 - MIAMI-DADE COUNTY PUBLIC SCHOOLS', and '21ST CENTURY CYBER CHARTER SCHOOL'. An 'Apply' button is highlighted with a red box at the bottom right of the dropdown. A red line on the right side of the image indicates the outer scrollbar.

Updated Lunch Data

- Update your enrollment, F/R data or CEP in the EPC Portal
- **Use 2021 Lunch Data posted numbers** (2019/20 certified numbers at www.dpi.wi.gov/erate)
 - Districts have questions about USAC's statement in training about states being able to use last year's (pre-COVID) numbers
 - For FY 2021 DPI will send USAC the fall 2019 data, which are the pre-COVID numbers

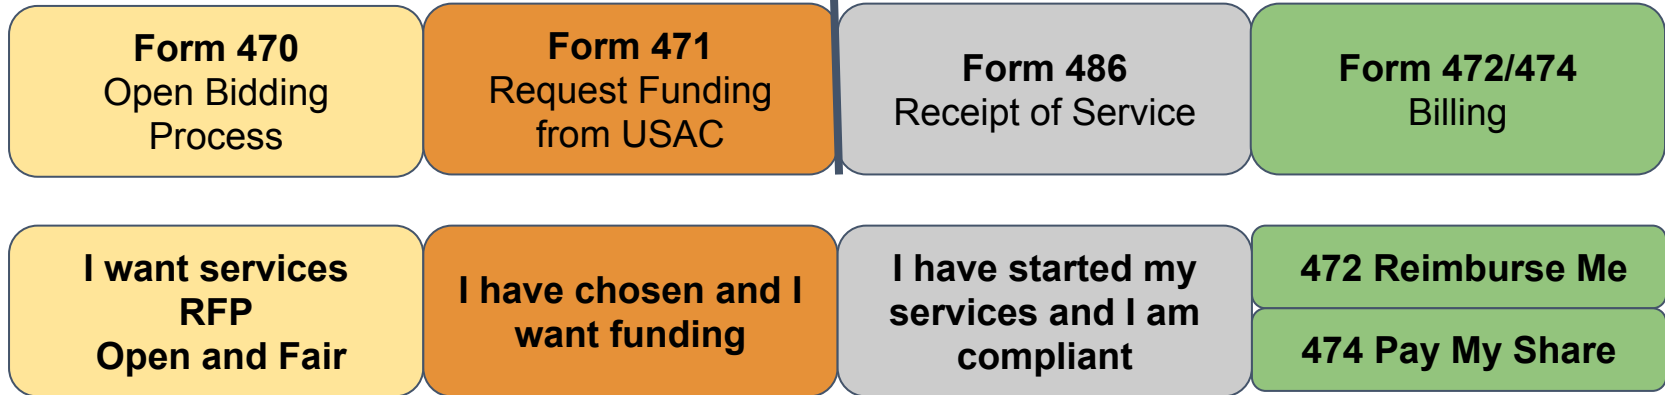

Frequently Asked C2 Questions

- Five-year budget is set with first E-rate purchase in the five-year cycle
 - Concerns about enrollment dropping in future years
 - Solution: To lock in higher C2 budget allocation, apply for minimal funding in FY 2021 for small item, like cables
- If enrollment goes up during the five-year budget cycle the district can get added C2 funds

E-rate - Forms

Application Process - Forms 470 & 471

- Form 470 - a request for services
 - Describe/list the eligible services you need (Issuing an RFP is optional)
- Form must be “open” for at least 28 days
