High-Poverty Schools (More than what %)	Low-Poverty Schools (Less than what %)	Poverty Metric Used

#### FAQ:How are the poverty quartiles determined?

Rank order all schools from highest to lowest on your percentage poverty measure. Divide the list into four equal groups. Schools in the first (highest group) are high-poverty schools. Schools in the last group (lowest group) are the low-poverty schools. Generally, States use the percentage of students who qualify for the free or reduced-price lunch program for this calculation.

Dates must be submitted using the MM/DD/YY format.

Example: State received SY2018-19 funds July 1, 2018, and then made these funds available to subgrantees on August 1, 2018, for SY 2018-19 programs. Then the “# of days/\$\$ Distribution” is 30 days.

- 2. Date Funds Available to Subgrantees:** Date that Title III funds are available to approved subgrantees.
- 3. # of Days/\$\$ Distribution** Average number of days for States receiving Title III funds to make subgrants to subgrantees beginning from July 1 of each year, except under conditions where funds are being withheld.

### 1.4.8.2 Steps to Shorten the Distribution of Title III Funds to Subgrantees

In the comment box below, describe how your State can shorten the process of distributing Title III funds to subgrantees.

State	Comments
WISCONSIN	Prior to receiving allocations under ESSA, the WDPI gives districts/subgrantees an estimate based on the number of eligible ELs in each district. There is a consolidated online application for all title funding and districts are allowed to complete their applications prior to when WDPI receives the final allocations. As soon as the final allocation is received, Title III sub-grants for each district are calculated and posted on WDPI web pages, and an email is sent to each district. Once subgrants are posted and districts are notified, those allocations are available to the districts. Districts then may make any needed modifications and submit their application that same day. In this way, WI makes Title III funds available to sub-grantees in zero days.

### 1.4.9 Title III Subgrantees

This section collects data on the performance of Title III subgrantees.

#### 1.4.9.1 Termination of Title III Language Instruction Educational Programs

This section collects data on the termination of Title III programs or activities as required by Section 3122(b)(7) of the ESEA.
