This letter is written in response to requests to amend Wisconsin's Consolidated State Application that the State submitted on January 15, 2010, and May 27, 2010 under section 9302 of the Elementary and Secondary Education Act (ESEA). The amendments submitted by Wisconsin concern the State's 2010 amendments to the Title III portion of the Consolidated State Application that refers to Title III annual measurable achievement objectives.

I am pleased to accept Wisconsin's May 27, 2010 amendment to your State's Consolidated State Application. Please send an electronic copy of the revised section of the amendment to your State's Consolidated State Application to Jenelle Leonard, Director of School Support and Technology Programs, at oesse@ed.gov.

I thank you for your efforts to improve education in your State and hope that this amendment to Wisconsin's Consolidated State Application will assist the State to realize the goals of the ESEA for all of Wisconsin's children. If we can provide you further assistance as you implement the provisions of the ESEA, please do not hesitate to contact us.

Sincerely,
