# Eddie Slowikowski

3 minutes and 58 seconds. That is the amount of time it took Eddie Slowikowski to run the mile. Whether it's as a Gold Medal winner for the USA Track & Field Team, an NCAA All-American, or a sought after dynamic professional speaker, Eddie knows a thing or two about Peak Performance. Through years of training as an athlete and running his own speaking business, Eddie knows what it takes to create a vision for success. Best of all, Eddie can channel that sense of accomplishment through interactive storytelling to audiences everywhere. He can make you laugh, cry, dance and learn... all in one presentation. He's even adapted his presentations for a virtual experience that is as dynamic and inspirational as his live events.

Through storytelling and high-energy showmanship, Eddie shows participants how to follow through on a vision from inception to achievement, and how to create positive energy for yourself and others. It's time to match who you are with who you want to be. Create the congruency of peak performance and attain the attitude of, Be That Now!

Eddie will be doing 3 virtual breakouts for members and advisers.

- **The Power of Presentation** (33 minutes)
