THE DEPARTMENT OF PUBLIC INSTRUCTION  
WORKS TO SUPPORT ARTISTIC AND  
CREATIVE DEVELOPMENT BY:

- Disseminating the Wisconsin's Model Academic standards for each of the arts areas,
- Providing professional development resources that highlight what students should know and be able to do, how to assess student knowledge, and what strategies will assist in supporting student growth in the arts,
- Providing creativity resources that highlight the research, use, and reflection in learning practices for multiple content areas,
- Pursuing common goals with state and national professional education organizations, and
- Working to build a highly qualified workforce to support student learning in artistic and creative practices.

Please continue to share your ideas to help us strengthen arts education in Wisconsin.
