School Culture: Community School

Presenter(s): Tangella King and Christie Gajewski
School: Knapp Elementary, Racine Unified School District

New school-Community School Initiative.

Monitoring Data in a Meaningful Fashion

Presenter(s): Dee Ann Lehman
School: Fort Howard Elementary, Green Bay Area Public School District

We would be highlighting the school's assessment wall, how we look at the data, and how we respond to our wall and data. Looking at growth as our focus.

Creating a culture of "I Can" and "We will"

Presenter(s): Cherise Easley, LeAnn Blachowicz and Tracy Henry
School: EBSOLA Elementary, Kenosha Unified School District

Creating a culture of "I Can" and "We will."

Title I 2016-17 Innovation, Implementation,
and Sustainability Conference 2016

CELEBRATIONS!

Secondary School Celebrations

Location: Room A3

School Culture and Attendance

Presenter(s): Regina Navejar
School: Hamilton High School, Milwaukee Public Schools

The purpose of Hamilton's School Support System is to ensure a high level of customer service for our students--we want all students to have their needs met! Our School Attendance Reporting System is in place to make sure all students have accurate attendance records.

Closing Achievement Gaps Using Data Analysis in Math

Presenter(s): Lance Bagstad
School: Clintonville High School, Clintonville Public School District

We will show graphs and list practices being used to identify students and what we are doing to grow these students using Math 180 and other strategies.

4 by 4 program and Trauma Informed Care

Presenter(s): Jim Reif
School: Menominee Indian High School, Menominee Indian School District

We will high light our students successes working with NWTC to become college and career ready; as well as the use of our Trauma Informed Care model to provide students the counseling they need as well as a safe environment within the school.

Freshman Academy: Graduation Nation

Presenter(s): Holly Jackelen and Chad Larson
School: Washington High School of Information Technology, Milwaukee Public Schools

Reducing our school's over age, under credentialed student population through the Freshmen Academy.

Interim Assessments and ACT Achievement

Presenter(s): Cynthia Schoonover
School: Milwaukee Academy of Science, Milwaukee Academy of Science

Two years ago, our high school implemented an ACT interim assessment program and began using data-driven instructional practices. This has led to increased student achievement on the ACT.

Personalized Blended Learning Lab

Presenter(s): Michelle Minton

School: Delavan-Darien High School, Delavan-Darien School District

The development of a program to support freshmen as they transition to high school. Strategies, involvement and skills for success are all developed in this course.

Math Success

Presenter(s): Larry Haase, and Janitra Thomson

School: Menasha High School, Menasha Joint School District

Our use of CPM to improve student performance.
