Any interested school may take the SIR

Schools may want to take the [RtI Schoolwide Implementation Review \(SIR\)](#) in reading and/or math to measure their progress. This is a self-assessment through the RtI Center. If you don't have your login information, you can request it by [clicking here](#). If you need additional assistance, please contact your [Regional Technical Assistance Coordinator](#).

As part of our ongoing commitment to providing all Title I Focus Schools with consistent and timely information, the Title I and School Support Team will be providing regular eBriefs to Principals, Indistar Process Managers, and Title I coordinators. We welcome suggestions about topics you would like addressed in future editions.

WISELearn

The goal of WISELearn is to give Wisconsin educators a place to find, submit, approve, and rate lesson ideas and other online resources; then share and discuss ways to use them with their professional learning communities around the state. We hope it will be one of your go-to places for resources, social networks and professional development. Please check out these links:
