

Partnerships and Student Achievement Questions We Must Ask

1. What are our school goals this year? (*name at least three*)
2. How are students achieving? What grades and/or subject areas should we focus on for improvement? (*use WINSS data on DPI website*)
3. What partnership practices are we doing well?
4. Where could we do better – grade levels, student groups, subjects?
5. Which families do we reach? Which families aren't we reaching? What do we need to do to reach all families?
6. How can families help students reach higher levels of achievement?
7. What are teachers' expectations of parents? What are parents' expectations of teachers?
