**NOTE: Preference will be given to applications that focus on the use of research-based culturally and linguistically responsive practices/tools that help reduce disproportionality in the identification of underrepresented students and address the “Excellence Gap” (Plucker, Burroughs, and Song, 2010) and/or enable advanced performance.**

# 2022-23 Gifted/Talented Education Grant Application – Nuts & Bolts

- **BEFORE** completing the application, applicants must download a copy of the application in *Adobe Acrobat* so the data can be saved.
- Electronic signatures can be used, but signature pages can also be printed & signed manually.
- A local match is **NOT** required for this grant.
- If a consortium is formed and additional signature pages are needed, the **Consortium Verification** form can be duplicated.

# 2022-23 Gifted & Talented Education Grant Application Changes

- There were additional changes to the application again this year. All revisions were vetted by a DPI workgroup tasked with creating a more uniform application for all competitive grants.
  - Please pay attention to the grant guidance document for an overview of the grant itself, as well as an outline of key sections.
  - Reviewing the grant rubric is also highly recommended, especially the score sheet as certain sections are worth more than others.
- 

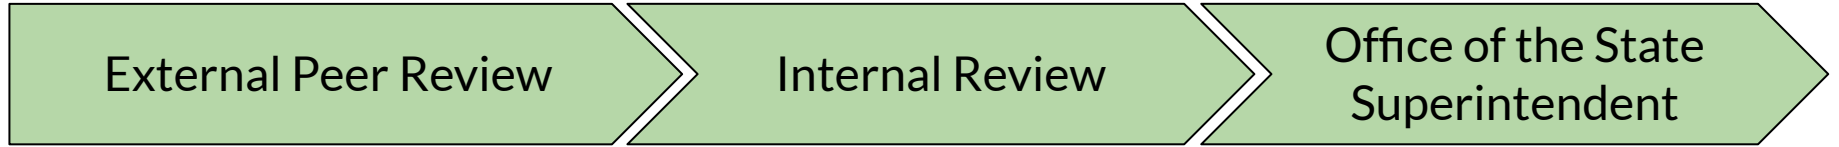

# 2022-23 Gifted & Talented Education Grant Application Changes

- **Note:** The Plan section was heavily reworked. The biggest change was moving away from Student Outcome and Practice Priority Statements to the new Priority Area(s) or Statement(s) - see Guidance.
- There were minor language changes throughout, as well as some reordering, so please review each item carefully.
- **Reminder:** only one Action Plan is required again this year, although there are available spaces for up to four Action Plans, if needed.

# Special Note for Nonprofit Organizations

- **Attach a copy of the organization's IRS federal tax exemption determination letter.**
  - **Please note this applies *only* to 501(c)(3) organizations. CESAs, school districts, and institutions within the University of Wisconsin system *do not* need to submit this documentation.**
-
