

Targeted Screeners for Gifted Education

Updated 12/2020

Related excerpt from the gifted/talented rule outlined in Wis. Admin. Code sec. PI 8.01 (2)(t)(2): “The identification process shall result in a pupil profile based on **multiple measures** [emphasis added], including but not limited to standardized test data, nominations, rating scales or inventories, products, portfolios, and demonstrated performance. Identification tools shall be appropriate for the specific purpose for which they are being employed. The identification process and tools shall be responsive to factors such as, but not limited to, pupils' economic conditions, race, gender, culture, native language, developmental differences, and identified disabilities as described under subch. V of ch. 115, Stats.”
