

### Why Participate?

- Provide quality resources for other teachers in your field
- Highlight your district's quality CTE programs
- Make a little extra cash!

## Back by Popular Demand!

In partnership with the DPI, CESA 5 is again offering you cash for your quality CTE resources! Do you have a classroom activity, lesson, or resource that your peers could benefit from having access to? We'll pay you for them!

This year, you also have a second option: highlighting quality elements in your CTE program!

### Option 1: CTE In a Minute

CESA 5 will pay Wisconsin CTE teachers \$50 per WISELearn resource & explainer video.

#### Eligible Instructors

- Business & Information Technology
- Health Science
- Marketing, Management, and Entrepreneurship

#### How many can I do?

Instructors may curate up to 10 resources for a total of \$500.

127 resources are available for contract on a first come, first serve basis.

### Option 2: Elements of High Quality Programs

- 10 - 15 minute modules highlighting best practices in **B&IT / MME** Programs
- Based on ACTE's Quality CTE Program of Study Framework ([bit.ly/2EtuxRm](http://bit.ly/2EtuxRm))
- 12 contracts will be awarded, 1 for each of the 12 elements of the Framework
- Videos should describe your district's approach to the element you have chosen to demonstrate.
- Apply here: [bit.ly/2DFOynm](http://bit.ly/2DFOynm) (elements available for contracts will be updated as contracts are awarded)

*What have curators in the past had to say?*

*"I love that you're doing this! I hate wasting time recreating the wheel."*

*"I have a few resources that we've modified and perfected over the years that are awesome..."*
