Subject: Global Navigator Scholarship Update

Hi Gerhard,

I hope all is well in WI. I am sure that your winter season has been as up and down as ours. Fortunately here, we seem to be lucky with lots of snow in addition to fluctuating temps this year. So, while it has been warm a lot, we have also had cold (enough) weather for snow too. Skiing has been fantastic!

I know you have your annual Wisconsin Youth Summit is coming up, so I am sending an update on Global Navigator Scholarships to date. We just had our final deadline last week, so these are sure to grow slightly in the coming weeks as the next round of awards will go out in early March.

This is great news and I look forward to sending final numbers later in the spring.

Warm regards,
Matt

Global Navigator Schools (students)

Madison West – 26
