

## Email Pitch Template

**[Public library name]** is stepping up to serve local job seekers through a partnership with the Department of Workforce Development.

*[Option: insert a short sentence or two describing one of the pitch ideas above. If you would prefer NOT to include a pitch idea and would like to simply share the press release, you can delete this section]*

The pandemic has impacted nearly every industry in our state, including some businesses right here in our community. Although many businesses are on track to recover, some are still struggling. Luckily, [Public Library Name] offers assistance to community members who remain unemployed at this time or need to change jobs.

For more information about the resources available at **[Public library name]** or their partnership with the Department of Workforce Development, please see the attached press release.
