** Educators adding an Agriculture license must demonstrate adequate instruction in cooperative marketing and consumers' cooperatives (Wis. Stat. sec. 118.19[6]). If they cannot demonstrate such instruction when adding this license, they shall be given a statutory stipulation if the base license they hold is a provisional/initial license. If they hold a Lifetime license, they cannot obtain this license until they show proof of completion of such instruction. Educators who already hold a license that requires this stipulation DO NOT need to submit evidence of the stipulation with their license application.
