I. Overview

The purpose of the Title I, Part C Migrant Education Program is to design programs that help migratory children overcome educational disruption, cultural and language barriers, social isolation, health-related problems, and other factors inhibiting migratory children from doing well in school and making the transition to postsecondary education or employment [Title I, Part C, Sec. 1301(5)]. The goal of the Wisconsin Department of Public Instruction (DPI) Migrant Education Program (MEP) is to improve migratory students' academic success by providing supplemental educational programming and services to migratory children ages three through twenty-one.

Section 1306(a)(1) of Title I, Part C of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA) requires State Education Agencies (SEAs) and their local operating agencies to identify and address the unique educational needs of migratory students in accordance with a comprehensive plan that:

- (A) is integrated with other programs under this Act or other Acts, as appropriate;
- (B) may be submitted as a part of a consolidated application under section 8302, if —
 - (i) the unique needs of migratory children are specifically addressed in the comprehensive state plan;
 - (ii) the comprehensive state plan is developed in collaboration with parents of migratory children; and
 - (iii) the comprehensive state plan is not used to supplant state efforts regarding, or administrative funding for, this part;
- (C) provides that migratory children will have an opportunity to meet the same challenging state academic standards that all children are expected to meet;
- (D) specifies measurable program goals and outcomes;
- (E) encompasses the full range of services that are available for migratory children from appropriate local, state, and federal educational programs;
- (F) is the product of joint planning among such local, state, and federal programs, including programs under Title I, Part A, early childhood programs, and language instruction educational programs under Title III, Part A; and
- (G) provides for the integration of services available under this part with services provided by such other programs.

In July 2018, Wisconsin restructured the MEP into a regional summer model. For the summer 2020 grant, DPI will fund five regional programs. The summer-only program approach is intended to concentrate the effort of the Title I, Part C MEP funds and the regional approach is designed to serve more children in larger geographic areas.

II. Eligibility Criteria

In order to be considered for the regional program coordinator/fiscal agent, the following eligibility criteria must be met. All regional migrant education programs must:

- serve all eligible migratory students in the identified region by providing a minimum of 60 hours of services with a focus on school readiness for preschool, reading and mathematics for K-8 students, and credit accrual and leadership opportunities for secondary students and out-of-school youth;

- coordinate with/provide referrals to community-based services for eligible migratory preschool and out-of-school youth within the identified region if unable to serve these groups directly;
- focus on implementing academic services with fidelity and use high-quality instructional materials;
- keep detailed records on services used and student attendance records;
- administer pre/post tests to measure student progress;
- complete all required forms and reports provided through DPI;
- engage families and report on family engagement offerings during the grant term;
- send applicable staff to mandatory trainings hosted by DPI staff;
- plan for and facilitate student transition at the end of the grant term including enrollment, records transfer, and post-secondary preparation;
- collaborate with the state's Identification and Recruitment (ID&R) staff;
- design a transportation plan (if applicable); and
- develop communication strategies to work with districts within the region and outlying districts.

In the event that no migratory students arrive for an expected program, the regional program coordinator must inform DPI at the start of the expected program.

III. Available Funds

This grant period runs from May 1, 2020, through September 30, 2020. Funds are allocated to regional programs based on factors such as the number of migratory students served in the previous year, and services to be provided to migratory students based on student needs. Applicants may negotiate allocations based on program needs. Funds for grant-related activities can be used until September 30, 2020, but the MEP federal reporting performance period is September 1, 2019 to August 31, 2020, so summer programming must end by August 31, 2020.

IV. Use of Funds

Title I, Part C funds shall be used to meet identified academic and support needs of migratory children that result from the effects of their migratory lifestyle and disruption to their education. These funds permit effective participation in activities not provided under other programs.

In providing services with funds received under Title I, Part C, each recipient shall give Priority for Services (PFS) to migratory children who have made a qualifying move within the previous one-year period and who are failing, or most at risk of failing, to meet the challenging state academic content standards or have dropped out of school. If Title I, Part C funds remain after these students unique needs have been met, they can be used to provide service for other eligible migratory children.

A student would be identified as PFS if they met any of the following criteria:

- **State and local academic achievement**
Any student that has been designated as failed, absent, exempt, not tested, or not scored on any one of the state and local academic achievement tests. Local academic achievement data may include school or district assessments, in-class teacher observations, and other accessible formative assessment data.

- **Not English Proficient (NEP) or Limited English Proficient (LEP)**
Students that have been designated as NEP or LEP
- **Retained**
Students in grades K-8 that have been retained in the same grade as the previous year.
- **Over Age for Current Grade Level**
Students that are over traditional school age for his or her grade level and lack adequate credit hours for his or her grade level.
- **Course History**
Students in grades 9-12 that have failed one or more core high school courses or are not on track for graduation.
- **Out-of-School Youth (OSY)**
School aged students through age 21 that have not graduated and are not attending school.

Regional programs may use Title I, Part C funds to provide services that:

- 1) directly benefit a migratory child;
- 2) address a need of a migratory child consistent with the SEA’s comprehensive needs assessment and [service delivery plan](#);
- 3) are grounded in evidence-based research or are a generally accepted practice; and
- 4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the state’s performance targets.

Title I, Part C funds may support:

- instructional services (e.g., educational activities for preschool-age children and instruction for elementary and secondary level students);
- support services (e.g., advocacy for migratory children; health, nutrition, and social services for migratory families; transportation);
- professional development;
- family engagement activities;
- coordination activities with other agencies, both within the state and with other states nationwide, including the transfer of student records;
- regional comprehensive needs assessment activities; and
- regional evaluation of MEP services.

The primary purpose of Title I, Part C grant funds are to provide services to migratory children and families. Regional programs shall not use Title I, Part C funds for identification and recruitment purposes.

V. Program Elements

A. Application

Applicants are required to complete the grant application and budget in WISEgrants. To access WISEgrants, an agency must authorize users in WISEgrants and must have a WAMS ID. For technical assistance regarding the use of WISEgrants, visit <https://dpi.wi.gov/wisegrants/technical-assistance>.

The grant application reflects the following state Measurable Program Objectives (MPOs) and strategies for meeting these MPOs. Applicants should keep the following MPOs and strategies in mind when developing the regional program and completing the grant application. The MPOs are explained in detail in the 2018-21 Wisconsin DPI MEP Service Delivery Plan, available at: <https://dpi.wi.gov/migrant>.

Reading

MPO 1a: By the end of each summer term (2019, 2020, 2021), 65% of migratory students receiving MEP-funded summer reading instruction assessed with pre/post reading assessments will maintain or increase their score.

Strategy 1.1	Coordinate/provide research/evidence-based summer reading instruction to migratory students utilizing high quality instructional materials.
Strategy 1.2	Coordinate with Title III to enhance reading instruction and provide additional support to migratory English learners (ELs).
Strategy 1.3	Implement evidence-based attendance strategies during summer programming to ensure migratory students participate for a sufficient amount of time as to have an impact on reading skills.

Mathematics

MPO 2a: By the end of each summer term (2019, 2020, 2021), 65% of migratory students receiving MEP-funded summer mathematics instruction assessed with pre/post mathematics assessments will maintain or increase their score.

Strategy 2.1	Coordinate/provide research/evidence-based summer mathematics instruction to migratory students utilizing high quality instructional materials.
Strategy 2.2	Coordinate with Title III to enhance mathematics instruction and provide additional support to migratory English learners (ELs).
Strategy 2.3	Implement evidence-based attendance strategies during summer programming to ensure migratory students participate for a sufficient amount of time as to have an impact on mathematics skills.

Graduation and Services to OSY

MPO 3a: By the end of each summer term (2019, 2020, 2021), 50% of secondary migratory students that took a class for credit recovery/accrual will obtain credit toward high school graduation.

Strategy 3.1	Coordinate/provide secondary migratory students with credit accrual opportunities during the summer.
Strategy 3.2	Regional Coordinators oversee the credit accrual and transition process to ensure credits received by secondary migratory students are reflected in student transcripts.
Strategy 3.3	Coordinate/provide secondary migratory students and out-of-school youth (OSY) with opportunities for leadership development (e.g., evening programs to work on college essays, resumes, or other team building activities).

Strategy 3.4	Collaborate with other service providers or provide needs-based academic and support services to OSY (e.g., assistance with English skills, utilizing OSY lessons developed by the OSY Consortium Incentive Grant, connecting with local resources regarding GED requirements).
--------------	---

School Readiness/Non-Instructional Support Services

MPO 4a: By the end of each summer term (2019, 2020, 2021), 65% of preschool-aged migratory children receiving MEP-funded school readiness instruction during the summer and assessed with pre/post school readiness assessments will maintain or increase their score.

MPO 4b: By the end of each summer term (2019, 2020, 2021), 80% of families that participate in MEP family engagement activities will report increased knowledge of the content presented.

MPO 4c: By the end of each summer term (2019, 2020, 2021), 80% of regional MEP staff surveyed that participated in MEP professional development will report that training increased their skills for supporting migratory students.

Strategy 4.1	Coordinate and collaborate with community-based services to ensure migratory preschool children are being served. If community-based services are not available, provide research/evidence-based school readiness instruction to migratory preschool children utilizing high quality instructional materials.
Strategy 4.2	Provide high-quality family engagement activities and/or instruction to enhance and increase family learning and engagement.
Strategy 4.3	Maintain ongoing collaboration with statewide recruiters.
Strategy 4.4	Prior to the beginning of program implementation, all Regional Coordinators attend training/professional development with WDPI MEP staff. Utilizing the materials from this training, Regional Coordinators provide training/professional development to regional MEP staff.

B. Required Program Reports

The applicant must follow federal regulations for student reporting and timely transfer of records according to statutory requirements under Title I, Part C of the Elementary and Secondary Education Act (ESEA), Sections 1303(f); 1304(c)(8) and 1304(e); ESEA Title IX, Part C, Sec. 9303, and regulatory requirements 34 CFR §200.85(b) and 200.85(c). Please review the [Migrant Student Information Exchange \(MSIX\) Regulations Reference Guide](#) for further information.

Each region is required to designate one person to enter all educational and support services data listed above into the MIS2000 database in a timely manner. Data from MIS2000 is automatically uploaded to the national MSIX system on a daily basis.

The applicant shall comply with provisions regarding confidentiality of student information [WI Statute §118.125, pupil records and 34 CFR Part 99, Family Educational Rights and Privacy Act]

a) Federal Requirements

Child Eligibility

A child is eligible for the Migrant Education Program, and thereby eligible to receive MEP services, if the child:

1. meets the definition of “migratory child” in section 1309(3) of ESEA;
2. is an “eligible child” as the term is used in section 1115(c)(1)(A) of ESEA and 34 CFR §200.103; and
3. has the basis for the state’s determination that the child is a “migratory child” properly recorded on the national Certificate of Eligibility (COE).

DPI will provide the program coordinator with a complete list of three-year eligible migratory children prior to the start of the program with subsequent updates as needed during the program.

Summer Migrant Program Enrollment Report

All regional programs must use MIS2000 software to submit student summer MEP enrollments within the first week of the program. Only designated regional sites, including mobile services, are used for reporting summer programs.

Student Academic Report

For all served migratory children, regional programs must use MIS2000 software to report student academic progress per MSIX requirements listed in this section required within two weeks of each student leaving the school or completing the summer program.

In keeping with the MEP federal reporting performance period of September 1, 2019 through August 31, 2020, summer programs must submit all required student data reports by August 31, 2020.

b) State Requirements

Form 1: Reading and Math Assessment Tracker

Form must be completed at the end of the program and submitted to DPI. Only submit results for migratory children that received MEP educational services in reading and math.

Form 2: Preschool Assessment Tracker

Form must be completed at the end of the program and submitted to DPI. Only submit results for migratory preschool children that received MEP educational services.

Form 3: Family Engagement (Parent Education) Evaluation Survey

Regional coordinators will provide the survey to parents to gather data on the quality of parent education and engagement. Regional coordinators must use strategies to encourage participation in the survey, and submit survey results to DPI.

Form 4: Migrant Education Program Staff Survey

All MEP staff including teachers, paraprofessionals, and site coordinators should complete this evaluation at the end of the program. Regional coordinators must complete this evaluation and submit all MEP staff surveys at the end of the program.

Migrant Education Program Fidelity of Strategy Implementation (FSI) Evaluation Tool

To complete this form, regional coordinators must convene a group of key MEP staff for each site in each region, discuss each strategy, and come to a consensus on each rating. The form must be completed and returned to DPI by August 31, 2020. The purpose of this form is to:

- measure the level of implementation of each MEP strategy listed in the application that aligns with the Service Delivery Plan;
- determine the extent to which MEP services are delivered with fidelity; and
- serve as a self-assessment guide in implementing migrant-funded services in the areas of: reading, mathematics, graduation/services to out-of-school youth, and school readiness and non-instructional support services.

C. Timeline

Event	Date
Grant applications in WISEgrants due	May 24, 2020
Grant Period	May 1, 2020 – September 30, 2020
Summer Migrant Program Enrollment Report	Within 10 days of each student's enrollment in the program
Student Academic Report	When each student withdraws
FSI Evaluation Form due to DPI	August 31, 2020
Forms 1, 2, 3, due to DPI	August 31, 2020
Funds encumbered by	September 30, 2020
Final financial claims due	December 30, 2020

D. Review Process

At least one DPI staff member will use the reviewer criteria in Appendix A to review each grant application.

VI. Financial Requirements

A. General Requirements

DPI encourages applicants to contact their business manager for assistance with the budget portion of the application. Applicants are required to specify how the grant expenses are allocated by budget category (e.g., salary, fringe benefits, non-capital objects, etc.). The budget should coincide with the activities listed in the grant application. Grantees must complete grant activities and obligate expenses by September 30, 2020. **Carryover is not allowed.**

a) Eligible Expenses

Applicants must submit a budget with a focus on a viable migrant education program, including personnel.

b) Ineligible Expenses

Agencies may not spend all grant funds on capital objects and may not use grant funds for any activity that is not directly related to removing educational barriers for migratory children.

c) Supplement, not Supplant

Funds must be used to supplement, not supplant, efforts funded by local dollars.

Agencies shall adhere to the guidelines set by the Wisconsin Uniform Financial Accounting Requirements (WUFAR). Information about WUFAR is available on DPI's website at <http://dpi.wi.gov/sfs/finances/wufar/overview>.

Agencies shall also follow the guidelines set forth in the federal Education Department General Administrative Regulations (EDGAR) and the federal Uniform Grant Guidance 2 CFR Part 200.

B. Budget Revisions

Budget revisions must be completed in WISEgrants. Budget revisions are required when significant changes need to be made to the original approved budget. **The agency shall not expend funds until DPI approves the budget revision.**

For application and budget related questions, contact Clara Pfeiffer, grants specialist, at (608) 261-6324 or clara.pfeiffer@dpi.wi.gov.

C. Financial Claims

Agencies must complete grant activities and obligate expenses for the 2020 grant term by September 30, 2020. Carryover is not allowed.

Agencies will submit claims for reimbursement for approved expenses in WISEgrants. A final claim is due December 30, 2020. Questions regarding financial claims should be directed to Mark Rudman, accountant, at (608) 267-9187 or mark.rudman@dpi.wi.gov.

Reviewer Justification:

GENERAL SERVICES

Content	Indicators that Demonstrate an Acceptable Response
<ol style="list-style-type: none"> 1. How will K-8 instructional (reading and mathematics) services be provided to students in the region? (e.g., traveling itinerant teacher, one regional site with appropriately licensed teachers, etc.) 2. Every site within a region must provide a minimum of 60 hours of combined instruction and support services during the summer grant term. Please describe the program plan for providing 60 hours of instructional and support services during the summer grant term. 3. How will you work with site coordinators within the region to determine the needs of the migratory students in the region? 4. How will you implement evidence-based attendance strategies to ensure students have a sufficient amount of instructional time as to have an impact on reading and mathematics skills? 	<ol style="list-style-type: none"> 1. Reading and mathematics services meet the needs of migratory students in the region. The program design is described in detail. It is clear how instructional services will be delivered: the applicant has explained the number of sites, whether instruction will be done in a traditional classroom or through an itinerant model, and further details are provided to describe the program. 2. Both instructional and support services are included, but the majority of the 60 hours is instructional. <ul style="list-style-type: none"> • Instructional service hours include classroom/teaching hours, tutoring hours, hours secondary students spend working on correspondence courses. • Support service hours include academic counseling, health, nutrition, transportation, education, social services. 3. Applicant shows adequate exploration of needs and explains how the needs were determined. Applicant includes names of personnel/agencies they have consulted/will consult regarding student needs such as transportation, educational programming, program design, staffing needs, student and family engagement, etc. 4. Describe strategies for ensuring students attend the summer program for a sufficient amount of time as to have an impact on reading and mathematics skills.

Reviewer Comments:

REGIONAL COORDINATION AND COMMUNICATION

Question	Indicators that Demonstrate an Acceptable Response
<p>15. How will your regional program facilitate student transition and timely transfer of student records, including enrollment and credit accrual records, at the end of the grant term?</p> <p>16. How will your regional program coordinate and collaborate with community-based services to ensure migratory preschool children are being served?</p> <p>17. If community-based services are not available, how will you provide evidence-based school readiness instruction to migratory preschool children utilizing high-quality instructional materials?</p> <p>18. Migratory students must have the same opportunity as all students to attend regular district summer programming, in addition to the migrant education program. How will you ensure the regional migrant education program is supplemental to the regular district summer programming migratory students receive?</p>	<p>15. Migrant students are often at a disadvantage concerning student records. Efforts to ensure records transfer are important to student credit accrual. The process for student transition and records transfer must include timely transfer of records, enrollment in school for fall, and end of term data submission to DPI. The process demonstrates detailed steps to guarantee successful transfer of records for both elementary, secondary students, and out-of-school youth; and ways to overcome common barriers in the records transfer process.</p> <p>16. The referral process should clearly identify community-based preschool service providers in the region. Describe your communication plan with community-based preschool providers to ensure preschool aged children have access to educational programming.</p> <p>17. If there is no community-based preschool service provider in your community, describe how you will provide preschool aged children with evidence-based instructional services.</p> <p>18. The applicant demonstrates that migratory students will be able to attend their resident district summer school. Summer migrant programs must be supplemental to district offerings to all students (and therefore not overlap in date and time). The applicant identifies which districts within their region provide district summer school programming and how they will ensure migratory students are receiving supplemental services.</p>
