WISCONSIN DEPARTMENT OF Public Instruction

Open Enrollment Application for 2023-2024

Warning!

The state's open enrollment program allows a parent to apply to have their child attend a school district other than the one in which they reside.

The Open Enrollment program cannot be used to enroll your child in your resident school district (including 4-year-old kindergarten and 5-year-old kindergarten). Contact your resident school district for enrollment information.

Welcome! The Open Enrollment process is only open from
Monday, February 6, 2023 to Friday, April 28, 2023 at 4:00 PM.
Late applications will not be accepted for any reason.

How to Apply

Before getting started, we recommend reading the information found in the FAQs especially if:

- you're planning to move before the beginning of the school year,
- you're applying for early childhood or 4-year-old kindergarten,
- you're interested in the denial and appeals process.

If you wish to apply to a virtual charter school, please see our Virtual Charter Schools page for a list of those schools and the school districts in which they are located.

Once your application has been submitted, you will be able to correct it via this website until 4:00 PM on Friday, April 28, 2023, so please be sure to write down the ID and password that you use. Missing or inaccurate information can cause problems handling the application and may even cause an approved open enrollment to be voided at a later date.

If you currently have students that are open-enrolled and have questions about whether they need to reapply, please review our information regarding reapplication.

If you have questions about the open enrollment program, please call an open enrollment consultant at (888) 245-2732, or Contact Us.

The User ID and password are not the same school district access information.

If you have set up a User ID and password for the Private School Choice program or Home-Based Private Education Program (Homeschooling), you must still set up a new User ID and password for this application, if you are applying for the first time.

New to Open Enrollment?

If this is your first time at this web site, you will need to set up an ID and password of your choosing.

We **strongly encourage** using a **valid email address** as your ID in the system. If you do not have an email address, you may choose your own ID and password, but you will not receive email notifications about your application's status.

Registration Complete

Your email address of **cpcurry23@gmail.com** has been registered, and you should find an email indicating this in your inbox.

You may now return to the Sign In page, sign in, and complete your application. If you are not able to sign in using the email and password you have registered, please email us at OpenEnrollment@dpi.wi.gov.

Please note: Once your application for your child(ren) is complete, and if you selected an email address as your ID, you will receive a second email with a confirmation number indicating that you have successfully completed the open enrollment process.

Your application is not finished until you receive a confirmation from the Wisconsin Department of Public Instruction.

Once your application is submitted, do not send a paper copy to the school districts. The school districts will have access to your application once submitted.

Select Your "Resident School District"

Your resident school district is where you will be **LIVING** on **September 15, 2023**.

Indicate your **Resident** School District: [Appleton Area ▾]

- This is not the district to which you are applying.

- Getting this step correct is critical. Your "resident school district" will pay for your open enrollment and is required to be notified that you have applied to one or more different school districts for your children.

- BE AWARE that school district boundaries **are not the same as town, village, city or county** boundaries. If you are unsure of the school district in which your home is or will be located, contact the municipal clerk (e.g. city hall), then confirm with a phone call to the school district. If you own your home, the name of the school district is on your property tax bill.

- CAUTION: Be sure you select the correct resident district from the drop-down list. Many school districts have similar names and this has been a cause of many errors.

- If **you are not sure** where you will be living on **September 15, 2023**, please read Important Information If You Are Planning to Move before continuing.

- WARNING! The Open Enrollment program cannot be used to enroll your child in your resident district. Contact your resident district for enrollment information!

Review School District of Residence

Please review the school district that you chose as your "resident district" - the school district where you will be living.

Appleton Area School District
PO Box 2019
Appleton, WI 54912-2019

(920) 832-6115
(920) 832-1747 fax

Again, this should be the school district where you expect to be **living** on **September 15, 2023**. This is not the district to which you are applying.

- If you move to a different address, but it is still in the same resident district above, your application will not be affected; however, you should notify both the resident district and districts(s) you are applying to attend so notices are sent to the correct address.

- If you have questions, please Contact Us.

Eligible for Reimbursement for Transporting Your Children?

You are responsible for transporting your children to and from school in the nonresident school district.

However, Wisconsin sets aside some money every year to reimburse transportation expenses for qualifying families. If you qualify for free or reduced price meals, you may qualify to have a portion of your expenses reimbursed. The income guidelines for the Federal school lunch program in the **2022-2023** school year are listed to assist you in determining whether you may be eligible for transportation reimbursement.

Maximum Income for Reimbursement Eligibility

Household Size	Gross Monthly Income
1	$2,096
2	$2,823
3	$3,551
4	$4,279
5	$5,006
6	$5,734
7	$6,462
8	$7,189

For each additional household member over 8, add $728

Do you anticipate submitting a claim for transportation reimbursement?
- ● Yes (in a future step, you will receive an estimate of how much you might receive)
- ○ No (you can still change your mind later)

How Many and How Far?

Please enter how many children you will be transporting, and the number of miles in one round trip from your home to the school:

Number of students transported (estimated): `2`

Number of miles in one roundtrip (estimated): `30`

Example: you have a round trip from your home to the schools your 3 children are attending of 20 miles. You would enter 3 for number of students transported, and 20 for the number of miles. The estimation formula will assume you make this trip 2 times a day, so just enter the number of miles for one round trip.

Tip: To come up with an accurate number when it's time to file the claims, it may be helpful to indicate on a calendar each day you drove, as this total number of days driven will be asked for on the claim form.

You will need to submit a claim form for actual expenses at the end of the school year. The online claim form will be available by June 1 at https://dpi.wi.gov/oe. Claim forms must be submitted by July 15. Claims submitted after that date will not be paid.

Estimate of Transportation Reimbursement

This estimate assumes the following:

- Estimated maximum reimbursement per student = $1,218.54

- Estimated proration factor = 20%
  (to be finalized in August 2024 when final claims are calculated and paid)

- Assumes 2 round trips per day for 180 days and that all students are transported at the same time

Estimate of your reimbursement:

- A. Calculation of maximum reimbursement for the 2023-2024 school year:
  2 students x $1,218.54 = **$2,437.08**

- B. Calculation of mileage cost:
  30 miles per round trip x 2 round trips per day x 180 days x 0.365 per mile = **$3,942.00**

- Calculation of estimated reimbursement:
  Lesser of A or B, above: **$2,437.08**
  multiplied by the 20% proration factor: **$2,437.08** x 0.20 = **$487.42**

For transporting 2 student(s)
with a round trip of 30 miles,
assuming 2 round trips per day,
the estimated amount for reimbursement is **$487.42**.

This estimate is provided to meet the requirements of Wis. Stats. s.118.51(14)(b).

It is recommended to **print and keep this page**.

Final payment will be based on actual miles and the final proration factor necessary to distribute the amount of money appropriated.

This is not a claim form. A separate claim form must be filed at the end of the school year to request transportation reimbursement.

Select Open Enrollment Districts

Please enter all school districts that you are applying to. You must have at least one and may have up to three districts per child. Applications to virtual charter schools do not count towards the three district minimum. If you wish to apply to more than three virtual charter schools, you will need to complete a paper application for each additional nonresident district you would like to apply to. Paper applications are located at https://dpi.wi.gov/open-enrollment/resources/forms.

- Click on the "Add Another School District" button to add to the list.
- Once a school district has been added below, click on the "Add or Remove Kids" link to change which children are applying to attend there.

If you have previously submitted this information, please do not delete a district unless you also want to delete the application to it.

Questions about this page?

Preferred Programs and Schools?

- **If you are applying to a virtual charter school, you MUST select it from the drop-down lists below under the "Preferred School" - DO NOT type the name into the comments box.** See our Virtual Charter Schools page for a list of those schools.

- **If you are not applying to a virtual charter school,** this page is **optional** - in other words, you do not need to enter anything. **However,** if you have a preference for schools or programs you may enter them below. You are not guaranteed a spot in the schools or programs you list, but they may be taken into consideration when the school district assigns the school placements.

- If you wish to request more than one school or program, enter the additional ones in the freeform space below. You may also use this space to indicate a second or third choice.

What schools and/or programs would your child prefer to attend in each school district? *(if no schools are shown, only one school exists for that grade)*

School District	Student	Applying to Grade	Preferred School	To enter additional choices or if your preferred school is not on the dropdown list to the left (e.g. 4K program at a daycare), enter the school name below.	Limit To?
Kimberly Area	Christian James Curry	03	Westside Elementary ∨		☐
Kimberly Area	Claire Marie Curry	KG	Westside Elementary ∨		☐
Little Chute Area	Christian James Curry	03	Little Chute Elementary ∨		☐
Little Chute Area	Claire Marie Curry	KG	Little Chute Elementary ∨		☐
Waukesha	Christian James Curry	03	eAchieve Elementary ∨		☑
Waukesha	Claire Marie Curry	KG	eAchieve Elementary ∨		☑

If you are **ONLY interested in the school or program** on each line, you may check the "Limit To" box on the same line, and the school district will only consider that school or program. However, leaving it blank will keep your options open, as your child, once in the school district, may be able to transfer into the schools or programs that you prefer.

If you check the "Limit To" box at the end of a line, you are agreeing/telling that particular school district the following:

"I wish my child to be considered **only** for the specific school or programs indicated. I understand that if space is not available in this school or program, my application may be denied even if there is space in other schools in this school district."

DRAFT

May 1, 2023	First day that the school districts may begin acting on your applications. Both the "resident district" and the school district your child wants to attend must approve each application.
May and June 2023	Nonresident districts must send notices of approval or denial via US mail or email to parents no later than Friday, June 9, 2023. Resident districts are only required to notify parents if an application is denied. If your application is denied by either district, your child may not open enroll. You may file an appeal with DPI within 30 days of the date the notice of denial is mailed.
Friday, June 9, 2023	By this date, nonresident school districts are required to notify parents whether the application is approved and, if approved, of the specific school or program to which the student will be assigned.
Friday, June 16, 2023	By this date, resident school districts are required to notify parents if their application is denied.
Friday, June 30, 2023	This is the date by which parents are required to notify all school districts that approved the application whether the student will attend that school district in the fall. **Failure to make this notification may result in the student being unable to attend that school.**

How to Delete Some Applications

Note: To delete all applications for all of your children, close this window and return to the previous page and click on "Withdraw All Applications".

Deleting a School District from a Child's Application

If you would like to remove a single school district from your child's application, but not remove all school districts for them:

1. Close this window, return to the previous page and click the "Continue" button until until you reach Page ID 10.0 (found in the upper-right corner), titled "All School Districts Possible".

2. Then click on the "Add or Remove Kids" link next to the school district you'd like to remove your child from applying to.

3. Remove the check-mark next to the name of your child and click the Save button.

4. Then click the "Yes, the list is complete" button, then continue on with the application until you reach Page ID 15.0.

   - If there are no other no other children applying to the school district you removed your child from on Page ID 10.0, you will need to delete that school district from the list to continue past page 10.0. Click on the "Delete District" link next to that district to delete it. Note: if you have other children applying to that district, do not delete it.

5. Once on Page ID 15.0, you will need to re-read the permission for release and click on the "Send Updates to DPI" button. When that is complete, your child's application for that school district will be removed.

Deleting All Applications For One of Your Children

This section does not apply if you have open enrollment applications for only one child. In that case, you should close this window and return to the previous page and click on "Withdraw All Applications".

If you would like to delete all applications for a specific child (but still have other children applying):

1. Close this window, return to the previous page and click the "Continue" button until until you reach Page ID 8.0 (found in the upper-right corner), titled "All Children Applying for Open Enrollment This Year".

2. If only one child is listed in the grid, this section does not apply. Please close this window and return to the previous page and click "Withdraw All Applications".

3. If you have more than one child listed, click the word "Delete" next to the child whose applications are to be deleted.

4. You will be asked to confirm whether or not you would like to delete the child from the system. Click the "OK" button in the pop-up message to confirm the deletion.

5. Then click the "Yes, the list is complete" button, then continue on with the application until you reach Page ID 15.0.

   - If you have no other children applying to a school district listed on Page ID 10.0, you will need to delete that school district from the list to continue past page 10.0. Click on the "Delete District" link next to that district to delete it. Note: if you have other children applying to that district, do not delete it.

6. Once on Page ID 15.0, you will need to re-read the permission for release and click on the "Send Updates to DPI" button. When that is complete, your child's applications for all school districts will be removed.
