What is the SNSP?

The Special Needs Scholarship Program (SNSP) allows a student with a disability, who meets certain eligibility requirements, to receive a state-funded scholarship to attend a participating private school.

5

5

SNSP Law & Statute

- SNSP is based on Wis. Stat. 115.7915 and Wis. Admin. Code PI 49.
- This presentation is based on current law and is subject to change based on statute or rule changes. This presentation provides information on certain requirements but is not a complete presentation of all requirements. Additional information on the requirements is available on the SNSP website.
- If there are changes to statute or rule, the department will provide guidance as soon as we are able.

6

6

Payment Process

7

FTE Determination

- FTE means full-time equivalent and is used to calculate the payment amount per Special Needs Scholarship Program (SNSP) student.
- Students in grades 1 -12 are counted as 1.0 FTE.

8

8

5-Year Old Kindergarten FTE

- Five year-old kindergarten (K5) pupils are counted as:
 - 0.5 FTE if attending less than full-time but at least 437 hours a school year.
 - 0.6 FTE if attending 3 full days of instruction each week.
 - 0.8 FTE if attending 4 full days of instruction each week.
 - 1.0 FTE if they attend school five full-days a week.

9

FTE Determination (cont.)

- Four year-old kindergarten students are generally counted as 0.5 FTE.
- If the school provides an additional 87.5 hours of parental outreach activities for the parents of four year-old kindergarten students, the school may count the students as 0.6 FTE.
- See the K4 Parental Outreach Activities Bulletin on the Bulletin webpage and the training on the training webpage for more information.

10

Overview of SNSP Program Funding

The schools receive a payment for eligible SNSP pupils.

At the end of the year, the total payments received for eligible SNSP pupils are compared to the school's actual net eligible education expenses for the SNSP.

The difference between the SNSP payments received and the school's actual net eligible education expenses is the SNSP Reserve balance.

The school must maintain a cash and investment balance that is at least as much as this amount for future SNSP eligible education expenses.

11

11

Payment Process

- The September payment is 25% of the annual FTE SNSP payment amount for each eligible pupil on the Preliminary Enrollment Report.
- The November payment is 50% of the annual FTE SNSP payment for each eligible pupil on the 3rd Friday in September Pupil Count Report and class list less the September payment for each pupil on the Preliminary Enrollment Report.
- The February & May payments are each 25% of the annual FTE SNSP payment amount for each eligible pupil on the 2nd Friday in January Count Report and class list.

12

12

Actual Costs Incurred Pupil Payment Option

- A school has the option to receive a SNSP payment for a pupil based on the cost to provide special education for that SNSP pupil in the previous school year. The school may choose to use this option for none, some or all of its SNSP pupils.
- A school that would like a payment for a pupil in the 2023-24 school year using this option must provide a Statement of Actual Cost that indicates the actual special education costs incurred for the pupil for the 2022-23 school year while the pupil was participating in the SNSP. The school must provide supporting documentation for the costs. This statement is due by the 3rd Friday in July.

13

13

Actual Costs Incurred Pupil Payment Option (cont)

- If the school submits a 2022-23 Statement of Actual Cost, the 2023-24 scholarship amount will be the amount on the statement of actual costs up to 150% of the regular student payment amount plus 90% of the amount on the 2022-23 Statement of Actual Cost over 150% of the regular student payment.

14

14

Preliminary Enrollment Report

- Provide a list of the pupils enrolled in each program at the school at the beginning of the school year.
- If the school has pupils that are continuing SNSP pupils from the previous year, the school must identify if the pupils were determined to no longer have a disability in the prior year.
- Due by the last weekday in August.

15

15

3rd Friday in September and 2nd Friday in January Pupil Count Reports

- Provide the total number of all pupils and SNSP pupils at the school.
- A pupil should be included on these reports if one of the following apply:
 - Pupil was in attendance for instruction on the count date; or
 - The pupil was absent on the count date, but attended the school for instruction at least one day during the school term prior to the count date and at least one day after the count date and was not enrolled in another school or homeschooled during his or her absence.
- The 3rd Friday in September pupil count report is due by the last weekday in September. The 2nd Friday in January pupil count report is due by the last weekday in January.

Certification Letters

- Once the DPI has reviewed and made any necessary changes to the enrollment audits, certification letters are sent.
- Certification letters are sent for each enrollment audit.
- The DPI will pay any amounts owed to the school via ACH. If the school owes the DPI, the DPI will either net any amounts owed to the DPI with future SNSP payments or require payment of the amount owed via check in certain cases.

34

34

Attendance Related Ineligibility Reasons

- The student did not attend either on, or before and after the count date.
- The student had a break in attendance.
- The pupil was identified as a duplicate by the auditor.
- The attendance related procedures will be explained in the Enrollment Audit training.

35

- a. Send a check to the DPI no later than the due date of the Enrollment Audit.
- b. Complete an electronic funds transfer no later than the due date of the Enrollment Audit.

Financial Information & Surety Bond Requirement

38

38

Notice of Intent to Participate (ITP)

- Indicates the private school's intent to participate in the SNSP for the following school year.
- Electronically signed by the head of the school's governing board or SNSP administrator.
- Submitted in the Portal.
- Due annually by the first weekday in March.

39

39

Notice of Intent to Participate (cont)

- SNSP schools do not have to offer SNSP scholarships for all grades the school has, but must be accredited for all of the grades that it makes available for SNSP pupils*. The school may choose to offer SNSP scholarships in only some of its grades. The school can only take applications or transfer requests for grades they have identified as available SNSP grades.
- The schools designate how many scholarships they have available for each grade category in the ITP.

*Schools using the Private School Requirements form option must meet the requirements for all grades offered.

40

40

Financial Information & Surety Bond

- If a private school reports in its ITP that it expects to receive at least \$50,000 in SNSP scholarships, the private school must submit one of the following to the department:
 - Financial Information;
 - Surety Bond.

41

41

Financial Information Requirement

- Submitted financial information must include a budget and cash flow report and all required attachments.
- The information must show that the school has the ability to repay the full amount of scholarships received during the year.
- Due annually by the first weekday in March.

42

42

Surety Bond Requirement

- May be required by the department if the department determines that the private school does not meet the program's financial requirements.
- Private schools can also opt to provide a surety bond in lieu of financial information.
- Must be equal to 25% of the total amount of SNSP scholarships expected to be received by the private school, which is based on the students in the ITP.
- Due annually by the 1st weekday in June.

43

43

Changes to Available SNSP Student Scholarships

- A school may change the SNSP available grades or revise the number of SNSP scholarships it has available if certain requirements are met.
- A school cannot remove a scholarship for which it has already received an application or transfer request, unless it has been determined ineligible.
- These changes may result in a bond being required or an update to an existing bond.
- Additional information on when and how these changes can be made is available in the [Student Application and Transfer Request Information Bulletin](#).

45

Application and Transfer Request Receipt Overview

46

SNSP Student Applications, Transfer Requests & Scholarship Continuance

- Schools may accept SNSP applications and transfer requests for that school year from July 1st to June 30th.
- Once a student is eligible for a count date, he or she continues to be eligible until the student withdraws from the SNSP or fails to meet one of the continuing SNSP student requirements.

47

47

Scholarship Continuance

- A student who has been accepted into the SNSP will continue to receive a scholarship until one of the following occurs:
 - The student graduates from high school;
 - The student turns 21;
 - The student no longer resides in Wisconsin;
 - The student enrolls in another school or a home-based educational program;
 - The student is not made available for a reevaluation; or
 - A partial scholarship student leaves the SNSP school that he or she is attending.

48

48

Application and Transfer Request Processing

- Only SNSP Administrators and SNSP designees may process SNSP applications and transfer requests.
- SNSP student applications and transfer requests must be accepted in the order that they are received.
- Exception: Sibling Preference

49

49

Sibling Preference Exception

If a school receives a SNSP student application or transfer request from a sibling of a current student at the school, the school may give the sibling preference over another student applicant. Preference may only be given if:

- The sibling's application or transfer request is determined eligible prior to the date that the eligibility determination must be made for any student who submitted an earlier application or transfer request; and
- The school has not (a) sent the IEP/services plan verification email for any student applicants who submitted an application earlier; or (b) sent the acceptance letter to any applicants who submitted a transfer request earlier.

50

50

Sibling Preference Exception Example

- Mary Sue's application is received July 15. This means the eligibility determination must be completed by August 5 (within 21 days).
- Lisa Morgan's application is received July 20. She is a sibling of a student currently attending the school.
- The school may give preference to Lisa Morgan over Mary Sue if the school:
 - Determines that Lisa Morgan's application is eligible by August 5.
 - Has not sent the IEP/services plan verification email for Mary Sue.

51

51

SNSP School Waiting List

- If the school receives more applications and transfers than scholarships it has available, the students must be placed on a SNSP waiting list.
- If a scholarship becomes available, the school determines if it will offer the available SNSP scholarship.
- If the school decides to offer available SNSP scholarships, the scholarships must be offered based on the waiting list order.
- A new waiting list is created each school year. Students on the waiting list who aren't given a scholarship must reapply in the following school year.
- No procedures are required for pupils on the SNSP waiting list.

52

52

Choice & SNSP Applications

- Students can apply to both programs.
- Students cannot receive a payment for the Choice program and the SNSP.
- If a student is accepted into both programs, the parent should provide a written document identifying which program the student will participate in.
- The Initial Student Eligibility Bulletin on the SNSP webpage has a frequently asked question that explains the required notifications to the Department when this occurs.
- If the audit identifies a pupil was counted for Choice & SNSP for the same count date, the auditor must obtain a letter/email from the parent identifying which program the parent wants their child to participate in. The pupil must be found ineligible for the other program.

53

53

Ineligibility Reason

- The school received a payment for the student from the SNSP and the Choice program. The parent/guardian did not elect the SNSP.

54

54

Knowledge Check

When can a student apply for the SNSP for the 2023-24 school year?

- a. During any of the open application periods the school selected on the Intent to Participate.
- b. At any time during the school year until all of the school's SNSP scholarships are filled.
- c. From July 1, 2023 to June 30, 2024.

55

55

Knowledge Check

- True or False: A school can give preference to students applying to the SNSP who currently attend their school.

56

56

Student Application Requirements

57

SNSP Student Eligibility

 - K4 pupils must be 4 by September 1
 - K5 pupils must be 5 by September 1
 - 1st graders must be 6 by September 1
- Pupils may not be 21 as of the date they apply or September 1, whichever is later.

61

61

General Ineligibility Reasons

- The student is too young for the grade he or she attended.
- The student is too old to participate in the program.
- The student is listed as the parent/guardian but is not eligible to apply themselves.

62

62

Knowledge Check

The school has a policy to allow for early admission for accelerated learners. For the 2023-24 school year, the school has a SNSP pupil in 5-year-old kindergarten (K5) that has a date of birth of September 10, 2018. The official attendance records indicate the pupil attended K5 on the 3rd Friday in September. Which of the following is true?

- a. The pupil is not eligible for the SNSP because they attended a grade they are not age eligible for on the count date.
- b. The pupil is eligible for the SNSP because the school has an early admission policy so the pupil can be counted in K5 as a SNSP pupil.

63

63

Student Eligibility: IEP or Services Plan

- A SNSP applicant must have an IEP or services plan in effect.
 - IEP = An IEP is a written statement that outlines an educational plan for a student with a disability who is enrolled in a **public school**.
 - Services Plan = A services plan is a written statement that describes the special education and related services that a public school will provide to a parentally-placed student with a disability enrolled in a **private school** when the student has been designated and is eligible to receive special education services.

64

64

IEPs and Services Plans

- IEPs and services plans are developed by a Local Education Agency (LEA).
- Local Education Agencies include:
 - Public school districts
 - Independent charter schools

65

65

78

SNSP Student Application Process

- Within 7 days of receiving a copy of the IEP or services plan from the LEA or receiving notification from the LEA that the pupil is not eligible in response to the verification email, a school must notify the student whether he or she is eligible.
- If the applicant is not eligible, the notice must state the reason the student is ineligible.
- The school must maintain a copy of the verification email from the LEA, including the IEP or services plan that was received from the LEA, in the student's file for their auditor's review.

79

79

IEP or Services Plan Incorrect Verification

- If the LEA does not have record of an IEP/services plan and the parent has documentation that leads the school to believe that the student has an IEP/services plan that meets the requirements, the parent should talk to the LEA.
- The 7-day notification requirements still apply.

83

83

IEP/Services Plan Related Ineligibility Reason

- The school did not receive the required verification that an IEP or services plan was in effect.
- This is an uncorrectable reason.

84

84

84

Knowledge Check

True or False:

1. Even if the school already has a copy of the services plan or IEP for a student, it must obtain the IEP/services plan from the LEA that developed the IEP/services plan through the IEP/services plan verification process.
2. A student can be eligible for the SNSP if the student was evaluated by a district and found to have a disability but did not have an IEP or services plan developed.
3. A services plan includes a plan developed by the private school regarding what services it will provide to a student who has a disability.

85

85

Knowledge Check

Which of the following is **not** a procedure the school must do to determine whether an application is eligible for the SNSP?

- a. Receive a copy of the IEP or services plan from the parent showing they are eligible for the program.
- b. Receive a copy of the paper SNSP application and residency documentation from the parent/guardian and determine if the pupil meets the requirements.
- c. Send an email to the LEA that developed the IEP or services plan requesting that the LEA provide a copy of the IEP/services plan as verification that the pupil meets the requirement.
- d. Receive the IEP/services plan from the LEA in response to the verification request.

86

86

Knowledge Check

The student application lists one school district as the resident school district and a different school district as the LEA that developed the IEP or services plan. If the application is determined eligible other than the IEP/services plan requirement, what emails need to be sent to the school districts to process the application?

- A. The LEA Verification Email, which is in Appendix A in the *Student Application and Transfer Request Information Bulletin*.
- B. The LEA Verification Email and the Resident School District notification emails, which are in Appendix A and B of the *Student Application and Transfer Request Information Bulletin*.
- C. The Resident School District notification, which is in Appendix B in the *Student Application and Transfer Request Information Bulletin*.
- D. No emails need to be sent.

87

87

Knowledge Check

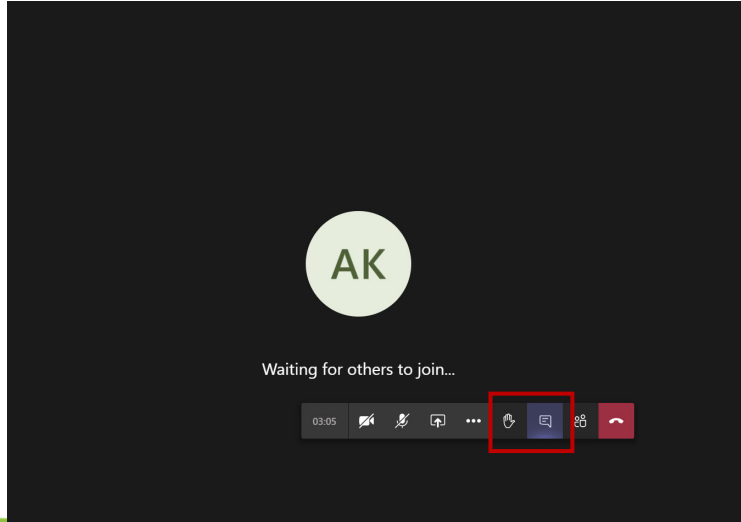

Place the following application processing steps in the order they must be completed:

- School receives IEP/services plan from the LEA as verification that the student meets program requirements.
- School receives paper SNSP application and residency documentation from parent.
- School sends the email to the LEA that developed the IEP or services plan requesting that the LEA provide a copy of the IEP/services plan as verification that the pupil meets the requirement.
- School determines whether the paper application and residency documentation meets program requirements, other than the IEP/services plan requirement.

Transfer Request Eligibility Determination - 21 Day Verification Period

Eligibility Determination	Next Steps
Eligible but the school does not have a scholarship available	Send written notification to the parent/guardian during the 21 day verification period. The notification must indicate that the student has an eligible transfer request but the school does not have a scholarship available and the student's place on the waiting list.
Ineligible	Send written notification to the parent/guardian during the 21 day verification period. The notification must indicate that the student is not eligible for the program and the reason(s) for the ineligibility determination.
Eligible and the school has a scholarship available	Once the school has determined the transfer applicant is otherwise eligible, the school must complete the Transfer Request Verification form. The DPI will then send an email confirming whether or not the most recent Pupil Count Report identifies that the pupil is currently enrolled in the SNSP. Since the confirmation from the DPI must be received within the twenty-one (21) day verification period, the DPI recommends the school complete the form no later than two (2) weeks after the Transfer Request form is received.

Step 1: Obtain Required Documentation

1. Water, sewer, gas, electric, cable, satellite, or landline phone bill.
2. Letter from the water, sewer, gas, electric, cable, satellite, or landline phone utility, regarding these utility services at the address on the application or transfer request.

4. Lease agreement whose lease term meets the required dates explained later.

9. If the parent/guardian does not have any of the documents above, a document approved in an email by the DPI. Before requesting approval from the DPI, schools must first work with parents to obtain a document from the list above that meets the requirements. The school must be able to provide the email from DPI approving the alternative document to the auditor.

111

111

Step 1: Obtain Required Documentation (cont.)

- As a reminder, some common examples of documentation that **do not fall within the acceptable documents** listed in #1-8 in the list of Allowed Residency Documents include:

 - Expired leases;
 - Cell phone bill; or

- If a lease agreement with a term is obtained, the date the form is received must fall within the term of the lease.
- The start date of a month to month lease must be dated within three (3) months prior to the date the form is received.

113

113

Parent Name & Address Match

- Make sure that the parent's first and last name on the SNSP student application/transfer request form match the residency documentation.
- The address on the residency documentation must match the address on the application/transfer request form. Every part of the address must match, except the unit number and zip code.

115

115

Parent Name: Misspelling

- If the parent's name is incorrectly written on the residency documentation, the parent should provide different residency documentation.

 - "My correct legal name is (name on application/transfer request). The name on my residency documentation is (name on documentation). My name is incorrectly spelled on the documentation and correct on the SNSP student application/transfer request."
- If the residency documentation is in someone else's name, the application/transfer request would not be correctable using this method.

- SNSP Administrator or designee initials on all corrections
- Supporting documentation for change
- Do NOT use whiteout

137

137

Application and Transfer Request Form Corrections (cont.)

- The following changes cannot be made to an **application** after the schools send the IEP/services plan verification email to the LEA or notification email to the resident school district; or to a **transfer request form** after the school sends a letter of acceptance or denial to the parent:
 - Adding the parent signature or date signed to the application, transfer request form, or Alternative Residency form.
 - Adding the date the application/transfer request was received.
 - Any changes that result in the application or transfer request being ineligible.

138

Application and Transfer Request Form Corrections (cont.)

- Student grade changes can be made when completing:
 - Preliminary Enrollment Report;
 - 3rd Friday in September Count Report; or
 - 2nd Friday in January Count Report.
- If a grade change is missed in a count report the school must notify the auditor so it can be included in an Enrollment Audit.

139

139

Submitting Eligible Applications and Transfer Requests to DPI

- Once an application is determined to be eligible by the school and the LEA has verified that the student application has an IEP or services plan that meets the requirements, the school will need to submit the application to the DPI.
- Transfer requests are submitted after they are determined eligible by the school.
- Students on the waiting list should not be submitted to the DPI.

140

140

Submitting Eligible Applications and Transfer Requests to DPI (cont)

- Student applications and transfer requests are submitted using the SNSP Portal by SNSP Administrators and designees.
- The submission deadlines are the 2nd Friday in August, the last weekday in August, the 3rd Friday in September, and the 2nd Friday in January. All eligible applications and transfer requests that are not on a waiting list must be submitted by the next submission deadline.
- If data is entered incorrectly, the SNSP administrator or designee will be able to correct the data until the last weekday in August, the 3rd Friday in September, or the 2nd Friday in January, whichever comes first, by clicking on the student's name in the Student Summary.

141

141

Application and Transfer Request Form Corrections

- If, between September 1 and the 3rd Friday in September, the school identifies the resident school district is incorrect on a 2023-24 application or transfer request submitted to DPI by August 31, 2023, the school must send an email to snsp@dpi.wi.gov with the student's application id from the Portal and the correct resident school district.
- If any other inaccuracies are noticed after the submission deadline, notify the school auditor.
- All changes to the application or transfer request form must be included by the school's auditor in the September or January Enrollment Audit.

IEP/Services Plan Implementation & IEP Reevaluations

148

IEP or Services Plan Implementation

- SNSP schools are required to implement:
 - The most recent Individualized Education Program (IEP) or services plan, as modified by agreement between the school and the student's parent/guardian, and
 - Related services agreed to by the school and the student's parent/guardian that are not included in the IEP or services plan.

149

149

Agreed to Services Requirement

- The school and the parent must have agreed to the services to be provided to the pupil. The school must have a signed and dated agreement with the parent indicating what services will be provided by the count date.
- If the school does not have a signed and dated agreement with the parent/guardian of the services by the count date, the school will not be eligible for a payment for that count date.
- Once there is an agreement for a student, the agreement does not need to be modified unless there is a change in the services that need to be provided.

150

150

Agreed to Services Requirement (cont.)

- A student who does not have an agreement will remain on the school's count reports until the student withdraws from the program or is no longer eligible for a scholarship.
- The school must notify the department when a student withdraws or is no longer eligible.

151

151

Agreed to Services Ineligibility Reasons

- The school and the parent/guardian did not agree to the services to be provided by the count date.
- This is an uncorrectable reason. If the school is able to obtain the required documentation by the next count date, it can include the student in the next count.

152

152

Reevaluation

- In order for a student to be able to continue his/her participation in the SNSP, the student must be made available for a reevaluation by the resident school district within sixty (60) days of a reevaluation request from the resident school district.
- If the student is attending a private school in a nonresident district, the nonresident district can conduct the reevaluation if the parent provides written consent.

153

153

Reevaluation (cont)

- School districts may only conduct a reevaluation once every three (3) years from the student's most recent evaluation or reevaluation for SNSP eligibility purposes.
 - Generally the reevaluation requirement date for SNSP purposes will be the same as the reevaluation requirement date the public school district is required to follow.

154

154

Reevaluation Waiver

- Waivers are permissible.
- Must have a signed Waiver Agreement.
- 3-year reevaluation clock continues from the date of the Reevaluation Waiver Agreement.
- The school must retain the Reevaluation Waiver Agreement for auditing purposes.
