General Eligibility & Application Acceptance

2

How a Parent Applies

Step 1: Complete the online parent application.

Step 2: Go to the school and submit income documentation, if applicable, and residency documentation.

All steps must be completed during the open application period in which a parent applies.

The data from the online parent application is what populates the online application system ("OAS") that the schools and auditors use.

3

3

Open Application Periods

- Schools must choose what program(s) and the open application period(s) they would like to accept applications in the Intent to Participate form due January 10th.
- For MPCP and RPCP, the school may select one or more open application periods.
- For WPCP, there is only one open application period.

- Those criteria include:
 - Age eligibility
 - Residency
 - Income for new students
 - Prior year attendance (RPCP and WPCP only)

7

7

General Ineligibility Reasons

- The student is listed as the parent but is not eligible to apply themselves.

Residency Verification

14

14

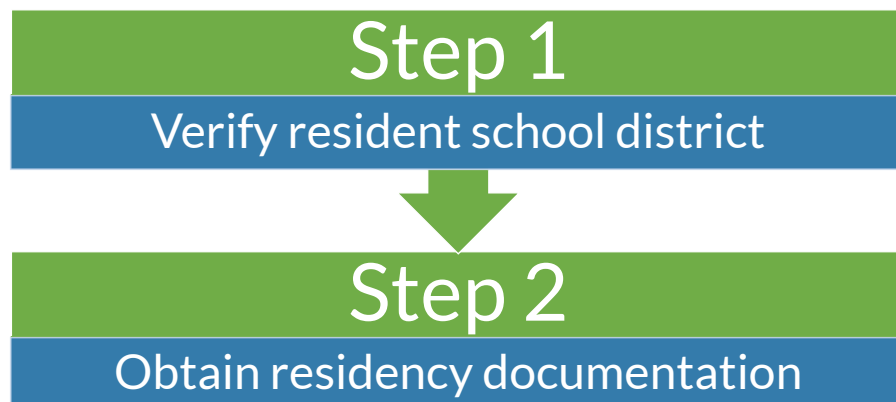

Residency Requirements

- ▶ MPCP: Resident of the city of Milwaukee.
- ▶ RPCP: Resident of the Racine Unified School District.
- ▶ WPCP: Each applicant's home address must be located in the school district listed on the Choice application and the applicant's home address must be in Wisconsin but **not** located within the boundaries of the city of Milwaukee or the Racine Unified School District.
- ▶ Schools must complete residency verification every year for ALL applicants.

15

15

Residency Verification

16

16

Step 1- Verify Resident School District

- The school will verify the school district using one of the options listed below:
 - MapIt or Milwaukee Elections Commission (for MPCP)
 - RUSD transportation website (for RPCP)
 - Property tax bill
 - My Vote Wisconsin
 - County/City Clerk or County/City Assessor websites
 - Public school district website
 - Statewide parcel service
- The address on the school district verification document is the address that needs to be in the OAS and on the residency documentation.

17

17

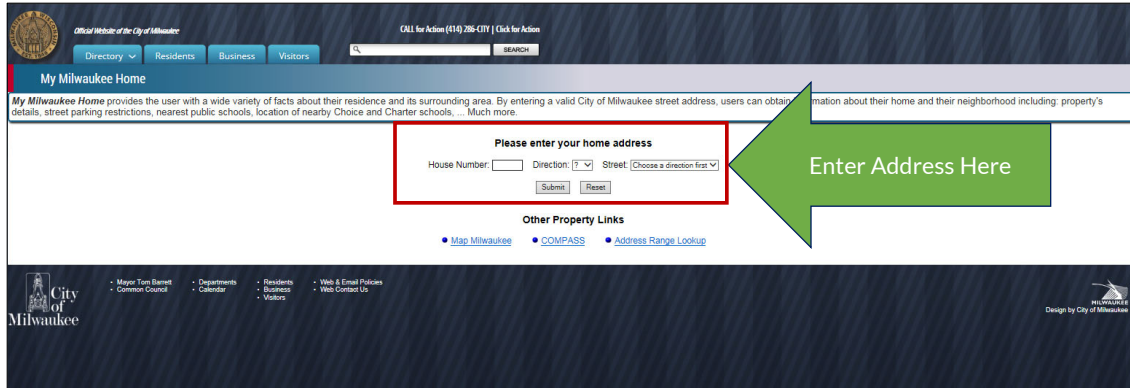

Step 1-Verify Resident School District (cont.)

- If an applicant that applied in the previous year does not move, the school can make a copy of the prior year school district verification for the current year application rather than completing a new school district verification as long as the school district verification document in the prior year used one of the permitted options.
- The school must have a copy of the email from DPI approving alternative district verification documentation in situations where it doesn't fit into one of the previous categories.

18

18

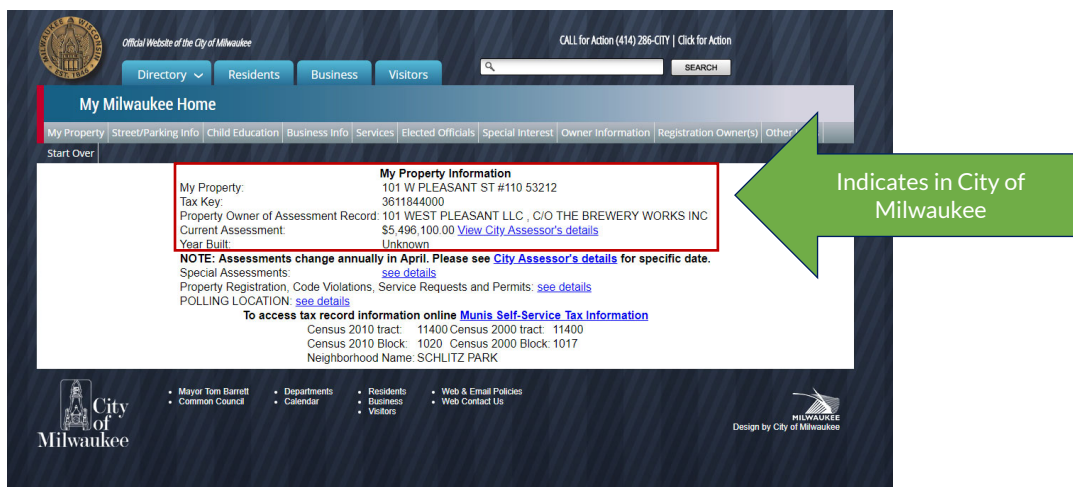

Milwaukee Address – MapIt (MPCP)

19

19

Milwaukee Address – MapIt (MPCP cont.)

20

20

Confirm Address is in Required School District

Confirm the address is correct for the program the student has applied to:

- MPCP: Resident of the city of Milwaukee.
- RPCP: Resident of the Racine Unified School District.
- WPCP: Each applicant's home must be located in the school district listed on the Choice application and the applicant's home must be in Wisconsin but **not** located within the boundaries of the city of Milwaukee or the Racine Unified School District.

21

21

WPCP School District Incorrect

- If the school district on the DPI Pupil Information Report or OAS Application Verification screen for a WPCP application is incorrect based on the school district verification document and the correct school district is in Wisconsin but not in the City of Milwaukee or RUSD, the school district correction needs to be identified on the Enrollment Audit.

22

22

Knowledge Check

Which of the following options could a school use to verify an address in Dane County (there may be more than one answer)?

- a. Dane County assessor website (AccessDane)
- b. Property tax bill for the address that lists the school district but is not in the parent's name
- c. Zillow.com
- d. Greatschools.org

23

23

 - Wage statement or a W-2 year-end earnings statement.
 - Signed and dated lease agreement with a date that meets the requirements we will discuss later. The lease agreement must be complete and legible. Expired leases are not acceptable.

30

30

Alternative Residency Form (cont.)

- May **not** be used :
 - To submit a driver's license as the only proof of residency.
 - As a supplement when the parent is refusing to provide a residency document.
 - Circumvent the residency requirement when the parent has documentation that shows a different address.

31

31

Address Matches

- The address on the school district verification document must match:
 - The residency documentation and
 - The address on the DPI Pupil Information Report or OAS Application Verification screen if the student is not in the DPI Pupil Information Report.
- Differences in the street direction or street suffix that are due to period placement, or the names being abbreviated versus not abbreviated do not require changes.

32

32

Address Match (cont)

	Match Required?
Street Number	Yes
Street Direction (North, South, etc.)	Yes (abbreviations are allowed)
Street Name	Yes*
Street Suffix (Lane, Road, Avenue, etc.)	Yes (abbreviations are allowed)*
Unit/Apartment Number or Description (Upper, Lower, Unit E10, Apt 207, Lot 7, etc.)	No
City	Yes*
State (must be on the residency documentation)	Yes (Wisconsin or abbreviation)
Zip Code	No

*If the street name, street suffix, or city is misspelled on the residency documentation, the documentation may be accepted if the parent emails or provides a signed letter to the school stating the correct address (which must match the school district verification document and OAS) and that the street name, street suffix, and/or city is misspelled on the documentation. **Schools must keep the email or signed letter from the parent for their auditor's review.** OAS must have the correct address information.

33

33

City Name Misspelled or Street Suffix Missing

- If the identified error is that the DPI Pupil Information Report or OAS Application Verification screen was missing a street suffix or that the street suffix or the city name was misspelled on the applicable report or screen for the September Enrollment Audit, the auditor must do one of the following:
 - Review the street suffix and/or city name for all of the applicants in the DPI Pupil Information Report and OAS Application Verification screen to identify if there are any additional errors in the sample, or
 - Identify a sample error and extend the sample population.

Parent Name Match-Residency & Income

	Match Required?
First Name	Yes
Middle Initial	No
Last Name	Yes
Suffix (III, Junior, etc.)	No

- The parent name must be the parent’s current legal name.
- The middle initial and suffix do not need to be reviewed. Changes to the middle initial and suffix are not made to OAS and should not be reported on the enrollment audit.

36

36

Parent Name: Legal Name Change

- For cases where:
 - The parent's first or last name has legally changed,
 - OAS has the correct legal name, and
 - The parent's legal name is not reflected on the supporting residency or income documentation.
- The parent must provide additional documentation to verify their legal name (i.e. birth certificate, marriage certificate, divorce decree, certificate of naturalization, certificate of citizenship, etc.).

37

37

Parent Name: Typo

- For cases where:
 - The parent's name is incorrectly written on the supporting residency or income documentation, and
 - OAS has the correct legal name.
- **Some examples of these cases include:**
 - Name misspelled (Jennifr vs Jennifer, Joseph vs Josaph, Theresa vs. Teresa)
 - Name abbreviated (Dan vs Daniel, Suzie vs Susan, Mike vs Michael)
 - Multiple last names (Maria Gonzalez vs Maria Gonzalez-Lopez)

38

38

Parent Name: Typo (cont)

- If the residency or income documentation is in someone else's name, the application would not be correctable using this method.
- In order to correct a typo, the parent must email or provide a signed letter to the school stating:
 - “My correct legal name is {name in OAS}. The name on my {residency or income} documentation is {name on documentation}. My name is incorrectly spelled on the documentation and correct on the online parent application.”

39

39

Parent Name Differences

- The additional required documentation described in the legal name change and typo slides can be received after the open application period in which the application is received.
- The school must be able to provide this documentation to the auditor as part of the Enrollment Audit or the application must be determined ineligible.

40

40

School Identified Address Error - Additional Documentation

- If the school identifies that the residency documentation does not meet all of the requirements during its acceptance/denial process the school may obtain additional residency documentation if the original residency documentation received during the open application period included one of the parent's names on the application and an address.
- The school should not find the application eligible until the additional documentation is received. If the additional residency documentation is not received by the date that the eligibility must be determined, the application should be identified as ineligible by the school.

41

41

Residency Documentation Correction Documentation

- The school should:
 - Retain the originally provided documentation and write "Original" on it with the date it was received.
 - Write "Correct" on the accurate documentation and the date it was received.

42

42

Auditor Identified Address Error - Additional Documentation

- If the school did not identify that the residency documentation did not meet the requirements and incorrectly accepted the student, the auditor may ask the school to obtain additional residency documentation if the original residency documentation received during the open application period included one of the parent's names on the application and an address.
- The additional residency documentation must be received by December 15th (for applications received from Feb-Sept) or by the due date of the January Enrollment Audit (for applications received from Oct-Jan).

43

43

Residency Documentation Corrections

The additional residency documentation must:

- Be an allowed residency document.
- Include the correct address.
- Include the name of a parent on the application.
 - If a parent on the application is not able to provide one of the allowed residency documents, the application is not correctable.
- **Use of the alternative residency form is not allowed for corrections.**

44

44

Residency Documentation Corrections (cont.)

The additional residency documentation must include a date that either:

- Meets the typical date requirements based on the date the application was received as described previously, or
- Be an allowed residency document, other than a lease, that is dated between three (3) months prior to the start of the open application period in which the application was received and the due date of the enrollment audit if all of the following are true:
 - Only one of the address components is incorrect, and
 - The parent name on the revised documentation matches the original documentation provided.

45

45

3rd Friday in September Count Report - WPCP Only Requirement

- WPCP includes pupils known as incoming pupils.
- Incoming pupils are students who first started participating in the WPCP or RPCP in the 2015-16 school year or thereafter.
- For incoming pupils participating in the WPCP, the school must complete the following if the student moved:
 - Obtain residency documentation for the pupil's address that meets the DPI's residency documentation requirements except that it is dated between the 3rd Friday in August and the due date of the 3rd Friday in September Pupil Count Report.
 - Determine the resident school district for the address provided on the residency documentation.

46

46

WPCP Incoming Pupil Residency Documentation Testing

- The September DPI Pupil Information Report will include an “Address Change” column that will indicate “yes” if the pupil moved. If so, the auditor must complete the residency related procedures for the new residency documentation received.

47

47

Auditor Reports Used for Testing Residency Information

						WPCP Only Fields	
Address	City	State	Zip	Parent	Parent #2	District Name	Address Change

- The DPI Pupil Information Report and Waiting List Report identify the information in OAS as of the date the report is generated.
- This is the information that needs to be used for completing the residency testing for students on those reports.

48

48

OAS Application Verification Screen

- If a pupil needs to be added to the count or waiting list, use the OAS Application Verification screen to obtain the required information for testing.

53

53

Income Eligibility for New Students

54

54

Income Requirements

- New students to the program must meet the income eligibility requirements.
- The family income for students applying to the MPCP or RPCP must be at or below 300% of the federal poverty level.
- The family income for students applying to the WPCP must be at or below 220% of the federal poverty level.
- The income used to determine eligibility for the program is reduced by \$7,000 if the parents on the application are married.

55

55

Definition of Continuing Students

- A student counted in any Choice program in the previous school year.
- A student on the waiting list in the previous school year after the 2nd Friday in January count date. The student must be on the waiting list for the same program they are applying to. If an applicant on the waiting list was offered a seat and declined, they are not considered on the waiting list.
- MPCP students counted on the 3rd Friday in September who reapply for the MPCP between October and January.

56

56

Continuing Student Determination

- The continuing student determination is completed using the name and date of birth in the online parent application compared to the prior year information in OAS.
- If the name or date of birth is not the same, the pupil will be identified as a new student.
- The application eligibility determination must be determined based on how the student is showing up in OAS. If the pupil is showing up as a new student in OAS, the school was required to obtain income documentation.

57

57

True or False

- If the school knows a student is a continuing student but there is a new student application in OAS, the school can indicate the new student application is eligible, even if the school doesn't have income documentation.

58

58

Income Eligibility Definitions

- **Parent**: Parent means a biological parent, a parent by adoption or a step-parent that resides in the same household as the student applicant.
 - Legal guardians may also complete the application. We will use the term “parent” in the slides to refer to either parents or legal guardians.
- **Family Size**: A family is a group of two or more people who reside together as part of the same household and who are related by birth, marriage, or adoption. Family size includes parents/guardians, student applicant, and other children who share at least one parent by birth, adoption or by a parent’s current marriage.
- **Income included**: Family income includes the federal adjusted gross income of the parents included in the family size.

59

59

Income Eligibility

- To determine income eligibility, parents of new students will be prompted to enter the following information into the online parent application:
 - The name of all parents living in the household.
 - If two names are provided, the parents must indicate if they are married.
 - The number of family members residing in the household and family member names.

60

60

Income Eligibility Determination

There are two methods for determining income eligibility. The parent must choose one when completing the online application.

Department of Revenue (DOR) Method

- Social Security numbers or tax identification numbers must be provided in the Online Parent Application or to the school.
- Income eligibility determination is based on income for the previous year or two years before the current school year.
- Students who are determined Ineligible per DOR may not switch to the DPI Income Determination Method.

Department of Public Instruction (DPI) Method

- Parent must specify the amount of income received in the previous year in the Online Parent Application and income documentation must be provided to the school; or,
- If no income is received, the parent must explain how basic needs were met in the previous year and must provide evidence of support received from any government assistance programs in the previous year.

61

61

DOR Method Testing Procedures

- If DOR was used to determine income eligibility, no income related procedures are required.
- Identify if DOR was used through one of the following options:
 - “DOR” is identified in the “Income Method” column of the DPI Pupil Information Report or Waiting List Report.
 - The OAS Application Verification Screen indicates the following (the program identification will be based on the particular application).

DOR has determined that this family is income-eligible for the MPCP program!

- If the auditor identifies the parent name in OAS is wrong for an application that used the DOR method, the application must be determined ineligible unless the parent/guardian had their name legally changed or if the name was a minor misspelling in OAS.

62

62

Income Eligibility-DPI Method

- If no SSN or taxpayer numbers are provided or DOR does not have records, parents must use the DPI method by entering the appropriate prior year income information and providing applicable documentation to the school as directed in the online parent application.
 - If the parent selects the DOR method and does not change the income method to DPI in the online parent application and provide the required documentation, the application is ineligible.
- All documentation must be submitted to the school during the open application period in which the application is received except for the corrections which will be discussed later.

63

63

DPI Method-1040 Completed

- The first and second page of the 1040 must be provided. It should be signed, but the application is still eligible if it is not signed.
- The following are examples of unacceptable supporting documents:
 - Wisconsin tax return
 - E-file signature authorization form
 - Schedules included with the return
 - Reports from tax preparation software

64

64

DPI Method-No IRS Form 1040 Filed

- If no 1040 has been filed, the parent must indicate all income received:

Income Type	School Required Support
W-2 tax form or final wage earnings statement	Obtain the form/statement indicated. The amount should match the amount entered into the Online Parent Application.
1099 form	
Cash income received	The school is not required to obtain documentation from the parent to support this.
Other Income	Review the description to determine what the parent indicated on the application. The parent must provide support for the income.

65

Yes	6	37732	77352	DPI	Income	1099,wage s,other	wages	Alimony

- If the “Income Method” states DPI and the “Income Review Type” identifies “Income”, the DPI income related procedures must be completed.

- Ensure the amount of income received per the supporting documentation matches the information in the report (listed as total income above).
- If it does not, determine if the total income is still less than the maximum allowed income based on all incomes identified by the parent(s)/guardian(s).
- Remember, if parents are married, their income must be reduced by \$7,000 before comparing their income to the max income to determine eligibility.

70

70

DPI Method-No Income

- If the parents did not file a 1040 or have any income, they will need to indicate what, if any, government assistance they received in the prior year.
 - Proof of prior year participation in government assistance programs must be provided to the school.
- Parents must also provide a written explanation of how basic needs (food, clothing, and shelter) were met in the prior year.
 - The school must review these explanations to determine they are sufficient.
 - If the explanations indicate income was received, the application would not be eligible since income needs to be included in the application.

71

71

DPI Method-No Income

- Government assistance types include:
 - Supplemental Security Income (SSI)
 - Wisconsin Works (W2)
 - Foodshare (food stamps or SNAP)
 - Housing assistance income
 - Other government assistance

72

72

SSI & Social Security Benefits

- Supplemental Security Income (SSI) is often confused with Social Security Benefits (SSB).
 - SSI is classified as government assistance. A parent does not receive a 1099 tax form for SSI.
 - A parent receives a 1099 tax form for SSB, including Social Security Disability Insurance (SSDI). SSB is considered income when completing the DPI Income Determination method where a tax return for the prior year has not been filed.
