

OAS Access Quiz 2020

Welcome to the Online Application System (OAS) Access Quiz

Required Forms

In order to receive an OAS user name and password, the school must submit **one** of two forms according to the person's role in the Choice programs. Each of these can be found on our [School Submitted Reports and Forms](#) webpage.

Choice Administrator: Choice Administrator Authorization and Update Form

Designee: Designee Authorization and Update Form

Regardless of the form used, the person completing the form must attest to the fact that he/she has EITHER read the required trainings and successfully completed the quiz or quizzes OR has been a Choice administrator or designee within the past two years, depending if it is a Choice administrator or designee.

Please email the completed form to privateschoolchoice@dpi.wi.gov.

Required Training and Quizzes

Choice Administrator: Complete both the OAS Access Quiz and the Program Requirements Quiz. The trainings and quizzes required to be completed can be accessed through the [OAS Access Training and Quiz](#) and [Program Requirements Training and Quiz](#) web pages.

Designee: Only required to complete the OAS Access Quiz. The trainings and quiz required to be completed can be accessed through the OAS Access Training and Quiz web page.

The quiz asks questions about topics covered in the trainings. At the end of the quiz, you will have the opportunity to download and print or save the correct responses.

If you choose the wrong answer to a question, you will be asked to try again. Simply re-read the question and select the correct answer. You will not be able to advance to the next question until you have correctly answered the current question.

If you close your browser prior to completing the quiz, click on the quiz link on the DPI website and the quiz should resume where you left off. If you would like to start over from the beginning of the quiz or someone else is taking or has taken the same quiz on a computer you are trying to use to take the quiz, you may have to delete cookies relating to "qualtrics" on that computer, use a different internet browser, or use a different computer.
