

Special Needs Scholarship Program Transfer Request Checklist – 2023-24 School Year

Rent receipts are NOT an allowed residency document.

The email should indicate the school has worked with the parent/guardian to verify that they do not have any of the other standard residency documents listed in the Residency Documentation Bulletin and requesting a Kiteworks folder to submit a different document. Once DPI provides the Kiteworks folder link, the school must upload:
 - 1. A copy of the paper application; and

	28. The date the Transfer Request Form was received is indicated. A transfer request is considered to be “received” when the SNSP administrator or designee obtains all of the following: (a) a Transfer Request Form; (b) residency documentation; and (c) the student’s most recent IEP or services plan. 	33. Applicants must be notified in writing whether or not the transfer request was accepted within 21 days of the date the transfer request is received. If the student is placed on the waiting list, the letter must specify the student’s place on the waiting list.
	34. Complete a document with the parent identifying the agreed upon services that will be provided to the student. Waiting List Student Acceptance:

	<p>36. If a transfer student on the waiting list is later given a scholarship for that school year, the school must confirm with the parent and the DPI that the student continued to participate in the SNSP while being on the waiting list. If the student did not continue to participate in the SNSP while being on the waiting list, the student is no longer eligible to transfer to the school.</p>
