

WISCONSIN DEPARTMENT OF Public Instruction

Special Needs Scholarship Program (SNSP) 2021-22 Student Application

Collection of this information is a requirement of Wis. Stat. §115.7915.

Instructions

SNSP administrators and SNSP designees should use this form to submit 2021-22 SNSP applications if:

- The application has been determined eligible by the SNSP administrator or SNSP designee, including receipt of the IEP/services plan from the LEA in response to the private school's IEP/services plan verification request, and
- The school has space available for the student.

The DPI strongly encourages that SNSP administrators and SNSP designees use a Student Application Checklist for every application to ensure it is eligible. The [Student Application and Transfer Request Processing](#) webpage includes this checklist and other resources for determining if applications are eligible.

Some items to consider as you complete this form are:

- Students on SNSP Waiting Lists: If a student is placed on the SNSP waiting list, the application should **not** be submitted until a scholarship becomes available and the student is offered the scholarship.
- Continuing Students at the School: The school should **not** use this form to submit information for students who applied to participate in the SNSP in a previous school year. Information on the requirements for continuing students at the school is available in the [Continuing & Transfer Student Eligibility Bulletin](#).
- Student Applications for 2020-21 or 2022-23 School Year: Applications for schools

years other than the 2021-22 school year that haven't previously been submitted to the DPI must be submitted using the application form for that year. The application submission form for the 2020-21 school year

Parent or Guardian Certification

The parent or guardian must initial the boxes showing that he or she:

- received the comparison of the rights of students with disabilities under special education law and under the SNSP; and
- received a profile of the private school's special education program.

If the parent or guardian has not initialed in both places, the school must contact the parent or guardian and have him or her initial the boxes before proceeding with the application.

The parent or guardian must also have signed and dated the application. This must be completed before the school sends the IEP or services plan verification email to the LEA or the notification email to the resident school district. If the parent or guardian did not sign or date the application before the emails were sent, the application is not eligible.

If you have questions, email snsp@dpi.wi.gov.

Application Eligibility Determination

Local Education Agency (LEA) IEP/Services Plan Verification Response

In order for the application to be determined eligible, the school must have received the IEP/services plan verification email or other correspondence from the LEA that developed the IEP or services plan. This email or other correspondence must have included a copy of the student's IEP or services plan that makes them eligible for the program. This email or other correspondence must have been received in response to the verification request from the private school.

If the private school did not receive a copy of the IEP or services plan in response to the verification request, the application cannot be determined eligible.

LEA Provided IEP/Services Plan

After determining the paper application was eligible other than the IEP/services plan requirement, the SNSP administrator or SNSP designee sent the IEP/services plan verification email in Appendix A of the Student Application & Transfer Request Information Bulletin and in the LEA verification and Resident School District Emails document on the Student Application and Transfer Request Processing Webpage. The sent email was updated to include the information for the student.

replied to the IEP/services plan verification email above and provided a copy of the for the student.

The IEP or Services Plan Requirements section of the paper application has checked. If it does not, it must be corrected using the strike through method.

Eligibility Verification

I have verified that the student is eligible for the SNSP based upon the information provided, including receiving the required IEP/services plan verification from the LEA in response to the IEP/services plan verification request.

SNSP Scholarship Acceptance Status

Generally, schools should only submit applications to the department once the scholarship has been accepted or declined by the applicant. However, all applications that have been determined eligible by the school must be submitted no later than the next upcoming application submission deadline.

Select the status of the scholarship acceptance:

The applicant accepted the SNSP scholarship.

The applicant declined the SNSP scholarship.

The applicant has not yet accepted or declined the scholarship, but the application is being submitted to meet the application submission deadline.
