Special Needs Scholarship Program (SNSP) 2021-22 Transfer Request

Instructions

SNSP administrators and SNSP designees should use this form to submit 2021-22 SNSP transfer request forms if:

- The transfer request has been determined eligible by the school and
- The school has space available for the student.

The DPI strongly encourages that SNSP administrators and SNSP designees use a Transfer Request Form Checklist for every transfer request to ensure it is eligible. The [Student Application and Transfer Request Processing webpage](#) includes this checklist and other resources for determining if transfer request forms are eligible.

Some items to consider as you complete this form are:

- Students on SNSP Waiting Lists: If a student is placed on a waiting list, the transfer request should **not** be submitted until a scholarship becomes available and the student is offered the scholarship.
- Continuing Students at the School: The school should **not** use this form to submit information for students who completed a transfer request form in a previous school year. Information on the requirements for continuing students at the school is available in the [Continuing & Transfer Student Eligibility Bulletin](#).
- Transfer Request Forms for 2020-21 or 2022-23 School Year: Transfer requests for schools years other than the 2021-22 school year that haven't previously been

submitted to the DPI must be submitted using the transfer request form for that year. If you are not able to locate the link for the submission form for the correct year, email snsdp@dpi.wi.gov.
