RE: Misreported Student Data in 2020-2021

During the review of the December 2024 snapshot data, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that 2 students reported as "not completed—not known to be continuing toward completion." Upon further investigation with our SIS team, it appears that these two students had withdrawal codes of TC when they exited in the 2020-2021 school year when in fact the codes should have been TNC as they attended a local private school. The codes were updated in Skyward for both students. Please accept this letter as official notification of the data error.

Yours Truly,

Jerdon Clark, Ph. D.

Superintendent, Cedarburg School District
