RE: 2020-2021 Misreported Student Data

It was recently discovered that a student who graduated at the end of the 2020-2021 school year did not have the correct End Status of HSC on 06/04/2021 in our Student Information System. This resulted in the student being reported with an End Status of ODO on the Year-End snapshot date of 12/07/2021. Since there is no longer an Ed-Fi connection for the 2020-2021 school year, we cannot push the corrected information to WISEdata.

One student with the below characteristics should be removed from the Withdrawal Reason category of ODO and added to the Withdrawal Reason category of HSC for Appleton West High School for the 2020-2021 school year:

Female, White, Econ Dis=Y, SwoD, ELP=7, Not Homeless, Not Migrant, Not Immigrant
