RE: (2023-2024) Misreported student counts impacted by the use of CEIS funds

This letter is to correct the School District of Baldwin-Woodville's Coordinated Early Intervening Services student count as required under the Individuals with Disabilities Education Act due to Baldwin-Woodville being identified with significant racial disproportionality in special education.

DPI's WISEdash snapshot is showing a count of 1 student as receiving services funded with IDEA's Comprehensive Coordinated Early Intervening Services (CCEIS) for the 2023-2024 school year. The correct student count number should be 28 .

Please accept this letter as official notification of the data error.

Sincerely,

Leah Johnson-Freer
