RE: CTE Concentrators 2023-24

During the review of the December 2024 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that only 6 students were accounted for in the December snapshot. Upon further investigation with our SIS team, it appears that a significant number of our students were not accurately reflected due to the CTE Concentrator report not being run. On January 22, 2025 the WI Ed-Fi CTE Concentrators report was run and each student on the report was updated using the Use Calculated button.

Please accept this letter as official notification of the data error.

Yours Truly,

*Tonya Gebert*
