RE: 2023-2024 Misreported Student Data

During the review of the December 2023 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that 52 CTE Participants were unaccounted for in the December snapshot. Upon further investigation with our SIS team, it appears that our SIS was not accurately sharing grade/completion data with WISEdata. Work with PowerSchool customer support located the errors in processing and we were able to resolve them on February 26, 2025.

December Snapshot reported:	0 CTE Participants.
Actual data at the time of the December Snapshot:	52 CTE Participants.

Please accept this letter as official notification of the data error.

Yours Truly,

David Dude

Superintendent Cambria-Friesland School District
