RE: 2023-2024 Misreported Student Data

During the review of the December 2024 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that two students were inaccurately reported as a drop-out. This occurred due to an incorrect exit type that was reported to WISEdata. These issues have been fixed in our SIS and should now be correct in WISEdata.

Please accept this letter as official notification of the data error.

Yours Truly,

Dr. Cari Guden
Edgar District Administrator
