Category: Dropout
Sub-Category: ODO

During our review of the Wise Dash Exports, we found a discrepancy in reporting of the Dropout Rates for the 2023-2024 year. The 2023-2024 Dropout count should have included 1 Student. At the time of submission, we were unaware that the coding in our SIS was incorrectly reporting ODO Students. Our error in coding within our SIS resulted in an inaccurate count of Dropout Rates.

After working with our SIS we now have ODO Students properly coded. Please accept this letter as official notification of the data error.
