RE: 2023-2024 Misreported Dropout Data

During the review of the Dropout Data for the 2023-2024, we noted the occurrence of some errors that came to our attention for the Verona Area School District. We believe it is essential to change the discrepancies found.

For the following schools we have discovered that the following numbers went to private, home, or out of state schools. We have fixed them in our Student Information System but are unable to publish since the 2022-23 school year is closed for publishing. We are also doing a training with the PowerSchool Secretaries who enter this data to hopefully not have similar errors in the future.

Data that was published for dropouts per school	Correct data for dropouts per school
Verona Area High School: 20	Verona Area High School: 10
Badger Ridge Middle School: 4	Badger Ridge Middle School: 0
Savanna Oaks Middle School: 2	Savanna Oaks Middle School: 0
Core Knowledge Charter Middle School: 2	Core Knowledge Charter Middle School: 0

Please accept this letter as official notification of the data error.

Yours Truly,

Dr. Tremayne Clardy, Verona Area School District Superintendent
