RE: 2023-2024 Misreported Student Data

It has come to our attention that our SIS was not correctly reporting the number of students who qualified as immigrants under the definition set forth by Title III. We have corrected this issue for the 2023-24 school year and are now reporting the correct numbers to Wisconsin DPI through WISEdata.

However, this information cannot be viewed on the WISEdash snapshot page.

December Snapshot reported **0** students TFS Actual Count **7** students

Please accept this additional correction for our application for Title III funding. Thank you for your assistance.
