RE: 2023-2024 Misreported Student Data

During the review of the December 2024 Snapshot report, it had come to our attention that there were some errors. In our endeavor to be transparent, we would like to address these errors. After review, 24 of our 26 Choice students were unaccounted for in the Snapshot. This was due to a communication error between Wisedata and our SIS, Gradelink.

December Snapshot-2 students

Actual, correct data-26 students

Sincerely,

Jennifer Adelmeyer, Principal & Choice Administrator
