Michelle,

After your phone call on 1-17-2025, we figured out the reason our 2023-2024 student graduates did not show up in FACTS on the 12-10-2024 snapshot WISE DATA took is because we were in the middle of Administration change during end of 2023-2024 school year and so it was missed. Our apologies for any inconvenience.

Our 9 graduates' missing information has since been entered and FACTS sent that information over to WISE Data on 1-17-2025. Please confirm that you have received the missing information. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to be 'P. Steinhaus', enclosed within a hand-drawn oval.
