RE: 2022-2023 Misreported Data

To Whom It May Concern:

This letter is to be submitted by Northwood School District to correct the Postsecondary Preparation data, specifically for Industry-Recognized Credentials, for the 2022-2023 school year. The IRC is reported as zero; however, one student completed an IRC - State Approved Business & Industry certification.

Please accept this letter as official notification of the error in our Postsecondary Preparation data for the Northwood School District for the 2022-23 school year. With a better understanding of the process, procedures are now in place to ensure this data is reported properly on each data snapshot.

Thank you for your assistance,

Scot Kelly, District Administrator
