Category: October 1 Child Count 2023

RE: 2023- 2024 Misreported Student Counts

This letter is to correct the School District of Unified School District of Antigo October 1, 2023 Child Count data.

During the review of the December 2023 WISEdash December Student snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

DPI's WISEdash snapshot recorded a count of 338 (12/5/25) students, ages 3 to 21, on the October 1 Child Count for the 2023- 2024 school year. The correct 2023- 2024 October 1 Child Count number, ages 3 to 21, should be 345 .

\*Of those 345 total ages 3 to 21 students, 20 were students ages 3, 4 and 5 on October 1.

We believe the error occurred due to the lack of training and process for review for administrative staff. Students who underwent initial evaluations and qualified for special education services between April 3, 2023 and August 15, 2024, were not accurately coded in our Student Information System as students identified in need of special education. Our processes and procedures have been corrected at this time.

Please accept this letter as official notification of the data error.

Sincerely,

Superintendent, Unified School District of Antigo
