RE: 1997-2011 Misreported Staff Data

A past employee of the Granton Area School District reported that his number of years of service were not properly documented by the district. Craig Anderson Ruskin was a full-time staff member for the Granton School District from 1997 to 2011 for a total of 14 years.

The December 2024 snapshot shows the number of years of service on record for the district are 3. This is an error. The actual number of years for service should be 14.
