RE: 2024-2025 Misreported Student Data

During the review of the December 2024 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we discovered many students were unaccounted for in the December snapshot for CTE participants. The December 2024 snapshot captured 549 CTE participants. However, the actual number at the time of December 2024 snapshot was 6,965 CTE Participants

We are working with our internal team and Student Information System vendor to ensure our student participation is not underreported in the future.

Please accept this letter as official notification of the data error.

If you have questions, please contact me at (414) 475-8011 or collinnm@milwaukee.k12.wi.us.

Sincerely,

Dr. Natalie M. Collins
Director of Research, Assessment, and Data
