RE: 2024 Misreported Graduation Data

During the review of the December 2024 snapshot report, we discovered an error in our High School Graduation data. We believe it is important to provide accurate data to both the DPI and our local stakeholders.

One student was listed as a dropout, when in fact, this particular student had transferred out of our school in 2021. This issue has been fixed in our SIS.

Please accept this letter as official notification of the data error.

Yours Truly,

Dr. Barry Rose
Superintendent
Cumberland School District
