RE: 2024-2025 Student Count

In June of 2024 Lake Superior Elementary was closed and the students at this school were moved to other schools. We would like these students to still be counted for AGR data.

Using the Third Friday Count in 2024 we would like the AGR numbers updated so each student is counted. Included is the most recent count.

Lake Superior Elementary closed as of last year. This year all of those kids were absorbed into the other schools.

Thanks

Hello,

Below is the amount of K-3 students at each of our elementary schools and the amount of students on free and reduced lunch. You said you needed these numbers due to the closure of one of our schools.

School	Low Income K-3	Total K-3
Bryant	92	177
Great L	104	208
Cooper	126	212
North Lights	186	291

Thanks

Dave
